01	Awareness of the Effects of Ragging, Malpractices, and Drug Usage	30-10- 2025	Students, COA, Shivamogga	To create awareness about the serious consequences of these harmful practices in academic environments.	A lecture on the effects of ragging, malpractices, and drug usage was delivered by Mr. Sanjeev Kumar for students. The session aimed to create awareness about the serious consequences of these harmful practices in academic environments. Mr. Kumar explained how ragging negatively impacts students' mental health and creates an unsafe campus atmosphere. He also spoke about academic malpractices, highlighting how dishonesty can damage one's career and integrity. The dangers of drug usage were discussed in detail, including its effects on physical health, decision-making, and future prospects. The lecture was informative and thought-provoking, encouraging students to adopt responsible behavior and uphold ethical values. Students actively participated and reflected on the importance of maintaining discipline and respect within the campus. Overall, the session was impactful	Enclosed

					and served as a strong reminder of the need for a safe and healthy educational environment.	
02	Gender Sensitization Workshop “Aravina Payana”	11-11-2025	Students, COA, Shivamogga		As part of Deeksharambha, the Karnataka Rajya Mahila Duvjanya Virodhi Okkuta, Shivamogga, conducted a gender sensitization workshop titled “Aravina Payana.” The session was led by Mrs. Rekhabma and her team, who engaged the participants through various activities including a song and a skit. The workshop began with the screening of the short film “That Day After Every day.” This was followed by an interactive discussion on key issues such as gender equality, exploitation, gender-based division of labour, and violence. The session also addressed important topics like menstruation, different forms of exploitation, and violence prevalent in society today. The resource persons emphasized the importance of appropriate behavior, mutual respect, and awareness among students. The students participated enthusiastically and interacted actively with the speakers and team members, making the	Enclosed

03	Skills required working in corporate companies	06-03-2025	Students, COA, Shivamogga	Stop chasing perfection—perfection is just a myth	On March 6, 2025, the College of Agriculture, Shivamogga, organized a special lecture on <i>Doer or Dreamer: The Path to Success</i>, delivered by Mr. Kashyap D. N., a renowned management consultant and personality development trainer from Shivamogga. Mr. Kashyap D. N. began his talk by distinguishing between a <i>Doer</i> and a <i>Dreamer</i>. He emphasized that while dreamers create visions, doers take action to turn those visions into reality. He elaborated on The Hero's Mindset, explaining that a hero perceives challenges and endures hardships. Heroes do not give up; they can withstand unbearable pain, take risks, and step out of their comfort zones into discomfort, embracing growth and transformation.	Enclosed
04	Interactive Session on PGDM in Sustainable Agriculture Management	26-03-2025	Students, COA, Shivamogga		It was a short session where Mr Ranjith P C introduced us about the course, its curriculum, its Opportunities and scope in the future, Fee structure and the exposure that the course would provide. Following that audience was given a chance to clear out their doubts regarding the topic.	Enclosed

05	Interactive Session on Preparation and Coaching for Competitive Examinations	24-04-2025	Students, COA, Shivamogga	An interactive session on preparation and coaching for competitive examinations was conducted by Mr. Darshan Garthikere, Founder and Chief of IAS Darshana. The session focused on effective strategies for cracking competitive exams through a combination of smart planning and consistent effort. Mr. Garthikere emphasized the importance of understanding the exam pattern, building strong fundamentals, and maintaining a disciplined study routine. He highlighted common mistakes students make, such as lack of revision and poor time management, and provided practical solutions to overcome them. The role of mock tests and their proper analysis was also discussed in detail. The session was highly engaging, with students actively participating in discussions and sharing their challenges. He also addressed the balance between coaching and self-study, encouraging students to develop independent learning habits. Overall, the session was insightful, motivating, and beneficial for all aspirants.	Enclosed

06	<i>Interactive Session on Exploring Agricultural Education and Research in the Netherlands</i>	4-11-2025	Students, COA, Shivamogga	The event was organized by the College of Agriculture, Shivamogga. The Hon'ble Vice-Chancellor, Dr. R. C. Jagadeesha, KSNUAHS, inaugurated the programme by watering a plant. In his inaugural address, he highlighted the overseas opportunities created by the university through the signing of Memoranda of Understanding (MoUs) with several international universities. He encouraged students to pursue higher education in reputed institutions abroad, particularly in the fields of research and innovation. The distinguished speaker, Mr. Jan Van Den Berg, addressed the students and emphasized recent research activities undertaken in the Netherlands in the field of agriculture. He advised students to explore the wide range of opportunities available in agricultural education and research at the international level. Mr. Kiran Gange addressed the gathering by informing students about the numerous entrepreneurial opportunities in agriculture and related sectors. He encouraged students to explore these opportunities as viable career options and invited them to apply for internship opportunities at Global Launch. Mrs. Hema Sanjay also addressed the students and	Enclosed
