Students achievements

Academics

- ❖ There has been a significant increase in student interest in agricultural education over the past decades, driven by the strong emphasis placed on agricultural education by the University with support from the Government.
- ❖ The Government has also increased the intake quota for children of actual cultivators (50%). Student admissions have risen over the past five years due to improved placement opportunities across diverse sectors. In recent years, highly meritorious students from rural backgrounds have increasingly sought admission, as reflected in higher Karnataka Common Entrance Test (KCET) rankings.
- ❖ Alumni of the College have successfully secured placements in academia, State developmental departments, the banking sector, ASRB, UPSC, KPSC, CMAT-qualified private organizations, and service sectors, both within India and abroad.
- ❖ Under the IDP–NAHEP Project Programme during the academic year 2022–23, four students—Dharani R.K., Ankitha N., Jane Mascarenhas, and Reshma R.—were deputed to foreign universities to pursue **training programmes**.
- ❖ Under the Institution Development Programme during the academic year 2023–24, six students—Chaitanya D., Pannaga Bogar, Akshatha M., Poornima G.S., Nishitha P., and Deepa Parappa Sunagad—were sent to foreign universities to pursue **short-term courses**.
- ❖ Under the Institution Development Programme during the academic year 2024–25, two students, Reshma and Prasanna Bayaluseeme, were sent to foreign universities to pursue **short-term courses**.
- ❖ Three postgraduate students qualified in the ICAR–SRF examination and were admitted to Ph.D. programmes.
- ❖ Twenty undergraduate students qualified in the ICAR–JRF examination and were admitted to M.Sc. programmes.
- ❖ Highly meritorious students of the College are recognized every year through the award of University and Sponsored Gold Medals.
