FEES AND HONORARIA

General Rules

28. (a) Fees:- A competent authority may permit a Government servant, if it be satisfied that this can be done without detriment to his official duties or responsibilities to perform a specified service or series of services for a private person or body or for a public body, including a body administering a local fund and to receive as remuneration therefor, if the service be material, a nonrecurring or recurring fee.

(b) Honoraria:- A competent authority may grant or permit a Government servant to receive an honorarium as remuneration for work performed which is occasional ¹[or intermittent] in character and either so laborious or of such special merit as to justify a special reward. Except when special reasons, which should be recorded in writing, exist for a departure from the provision, sanction to the grant or acceptance of an honorarium should not be given unless the work has been undertaken with the prior consent of Government and its amount has been settled in advance.

1. Inserted by No. FD 362 SRS 59 dated 14.12.1959 (wef 17.12.1959).

Note 1 - The following general principles are laid down for payment of fees and honoraria:-

(a) No honoraria should be paid in respect of any work which can fairly be regarded as part of the legitimate duties of Government servant concerned.

(b) It is one of the liabilities of Government servants to have to work outside office hours in exceptional times and circumstances. No honoraria should ordinarily be given on this account, but continuous working out of office hours and on authorized holidays may justify a claim to honoraria or to special pay.

(c) No honoraria should be paid to Government servants for attending meetings of Boards and Committees financed wholly or partly ¹[from the Consolidated Fund of the State]

(d) The amount of an honorarium or fee must be fixed with due regard to the value of the service in return for which it is given. The maximum fee permitted by any rule is not to be given in cases in which any smaller fee would be fair and sufficient.

(e) When the service rendered falls within the scope of the ordinary duties of the Government servant performing it, the text of special merit prescribed in this rule, must be very strictly applied.

Note 2 - The temporary increase in work due to the holding of special conferences under the auspices of a Department of subordinate authority or of inter departmental committees are normal incidents of Government service, and form part of the legitimate duties of Government servants according to the general principle enunciated in Note 1. Those so employed have, therefore, no claim to extra remuneration.

Note 3 - In the case of both fees and honoraria, the sanctioning authority shall record in writing that due regard has been paid to the general principle enunciated in Note 1 and shall record also the reasons which in its opinion justify the grant of extra remuneration.

1. Substituted by No. FD 184 SRS 59 dated 8.9.1959.

¹[(c) Any Government servant is eligible to receive and, except as otherwise provided by a general or special order of the Government, to retain without special permission-

(i) the premium awarded for an essay or plan in public competitions;

(ii) any reward offered for the arrest of criminal or for information or special service in connection with the administration of justice;

PART-II
CHAPTER III
REGULATION OF EMOLUMENTS

31. An officiating arrangement is permissible in a post of which either there is no holder or of which the holder is an absentee.

Exception:- When a Judicial Officer, ¹[presiding over a combined court (Civil and Criminal)] is allowed to avail himself of the summer vacation, an officiating appointment may be made during the vacation for the disposal of criminal work.

Note - With the general or special sanction of Government acting appointments may be made in place of officers ordered or permitted to undergo a course of training.

²[Explanation: In the case of a Government servant deputed for training or a course of Instruction it is not necessary to create a new post in order to accommodate him during such training or course of instruction since the very order posting him for training, etc. would be considered as a sanction in this behalf.]

³[**31-A.** A Government servant who is on training the period spent on which is treated as duty under rule 8 (15) (c), may be granted such pay as the Government may consider equitable but in no case exceeding the pay which he would have drawn had he been on duty other than duty under rule 8 (15) (c).]

⁴[Explanation:- A Government servant who is on training may be given regular promotion and allowed by the competent authority to draw the pay of the higher post against which he would have officiated but for his deputation to undergo training.]

Instructions :- ⁵[According to the Explanation below Rule 31-A of Karnataka Civil Services Rules, a Government servant who is on training may be given regular promotion and allowed by the competent authority to draw the pay of the higher post against which he would have officiated but for his deputation to undergo the training.]

5. O.M.No. FD 30 SRS 78 dated 21.6.1978.

The matter has been further examined and it is hereby clarified that, a Government servant who has been deputed for a course of instruction or training authorised by or under orders of Government and who is treated as on duty, according to rule 8 (15) (c) of Karnataka Civil Services Rules may be-

(i) given regular promotion by the competent authority with effect from the date on which the Government servant junior to him in the cadre of his service assumes charge on promotion to a post in the next higher cadre, and

(ii) allowed to draw such pay in the pay scale of the higher cadre as he would have drawn from time to time but for his deputation to undergo such instruction or training.

3. The above benefit of promotion and consequential fixation of pay may be given subject to fulfillment of the following conditions:-

(i) The Government servant undergoing training or instruction is otherwise eligible for promotion, according to the rules of recruitment, and

(ii) All his seniors, except those regarded as unfit for promotion have been promoted.]

32. Instead of appointing a Government servant to officiate, it is also permissible to appoint him to be in charge of the current duties of a vacant post. In such a case a 'charge allowance' (additional pay) is payable as specified in Rule 68.

¹[Note 1- A Government servant can be appointed under this Rule to be in-charge of the current duties of a vacant post only if he is eligible to be promoted to officiate in that post according to the Cadre and Recruitment Rules applicable to that post or if he is holding a post in an equivalent or higher grade.]

²[Note 2 - The provisions of this Rule apply also to cases where a Government servant being relieved of his own appointment is appointed to be in independent charge of a higher appointment as a temporary measure.]

33. 'Permanent Post' is defined in Rule 8 (34). Without the authority of Government,-

(i) no new appointment may be created; and no addition may be made to the pay and allowances of any Government Servant;

1. Substituted by No. FD 3 SRA 2009 dated 23-9-2010 (wef 1-8-2008).

(ii) no appointment may be abolished; and the pay and allowances of no appointment may be reduced;

(iii) no class or grade of Government servants may be created or abolished, and the pay of no class or grade of Government servant may be raised or reduced.

Exception:- An addition to the scale of appointments in the lower grade as against a vacancy in higher grade may be allowed temporarily on occasions.

¹[34. A temporary post is defined in Rule 8(46). No temporary post may be created without the sanction of Government. Government may, however, delegate this power to Heads of Departments and other authorities subject to such limits and conditions as they deem fit.]

35. Tenure post is defined in Rule 8 (47). A Government servant may be confirmed against a tenure post. The emoluments drawn by a Government servant in a tenure post count for pension if the Government servant is appointed substantively to that post.

36. A Government servant when appointed to officiate in a post which is tenable by a Government servant of any one of the several grades or classes in a cadre shall, save as otherwise directed by Government, be given officiating pay calculated in the pay of the lowest grade or class in the cadre.

37. (a) The pay of a Government servant officiating in a post, the pay of which is subject to increase upon the passing of an examination or upon the completion of certain period of service, is the pay which he would from time to time receive if he held the post substantively.

(b) The pay of a Government servant officiating in a post, the pay of which has been reduced with effect from the next succession thereto, is the reduced pay.

- 38.** The pay of a Government servant officiating in an appointment the pay of which has been increased with effect from the next succession thereto, is the increased pay.
- 39.** The fixation of Pay of a Government servant is within the competence of Government provided that, except in the case of Personal Pay granted in the circumstances defined in Rule 8(35) the pay of Government servant shall not be so increased as to exceed the pay sanctioned for his post without the sanction of an authority competent to create a post in the same cadre on a rate of pay equal to his pay when increased.
- 40.** Time scale of pay -Rules 41 to 49 apply to time scales of pay generally. They do not, however, apply to any time scale in so far as they are inconsistent with terms specially sanctioned for such time scale.
- 41.** The initial substantive pay of a Government servant who is appointed substantively to a post on a time scale of pay is regulated as follows:-
- (a) If he holds a lien on a permanent post other than a tenure post, or would hold a lien on such a post had his lien not been suspended under Rule 20,-
 - (i) When appointment to the new post involves the assumption of duties or responsibilities of greater importance (as interpreted for the purposes of rule 44) than those attaching to such permanent post, he will draw as initial pay the stage of the time-scale next above his substantive pay in respect of the permanent post;
 - (ii) When appointment to the new post does not involve such assumption of duties or responsibilities he will draw, as initial pay, the stage of the time-scale which is equal to his substantive pay, in respect of the permanent post, or if there is no such stage, the stage next below that pay, plus personal pay equal to the difference, and in either case will continue to draw that pay until such time as he would have received an increment in the time scale of the permanent post, or for the

period after which an increment is earned in the time-scale of the new post whichever is less. But if the minimum pay of the time-scale of the new post is higher than his substantive pay in respect of the permanent post he will draw that minimum as initial pay;

(iii) When the appointment to the new post is made on his own request and the maximum pay in the time-scale of that post is less than his substantive pay in respect of the old post, he will draw that maximum as initial pay.

(b) If, the conditions prescribed in clause (a) are not fulfilled he will draw as initial pay the minimum of the time-scale:

Provided that both in cases covered by clause (a) and in cases (other than cases of re-employment after resignation or removal or dismissal from the public service) covered by clause (b) if the Government servant either-

(1) has previously held substantively or officiated in-

(i) the same post, or-

(ii) a permanent or temporary post on the same time scale, or-

(iii) a permanent post other than a tenure post on an identical time scale or-

(iv) a temporary post on an identical time-scale, such post being on the same time scale as a permanent post; or -

(2) is appointed substantively to a tenure post on a time scale identical with that of another tenure post which he has previously held substantively or in which he has previously officiated; then the initial pay shall not be less than the pay, (other than special pay, personal pay or emoluments classed as pay by Government) which he drew on the last such occasion, and he shall count the period during which he drew that pay on such last and any previous occasions for increments in the stage of the time-scale equivalent to that pay; provided further where the pay last drawn by the Government servant in a temporary post has

been inflated by the grant of premature increments, the pay which he would have drawn but for the grant of such increments shall, unless otherwise ordered by the authority competent to create the new post, be taken for the purposes of the preceding proviso to be the pay which he last drew in the temporary post.

¹[Note 1 - xxx]

Note 2 - The personal pay, mentioned in sub-clause (a) (ii) of this Rule should be given to a Government servant only for the purpose of initial pay and not at any subsequent stage in the new time-scale in which the Government servant might draw less pay than he would draw had he remained in the old scale. Accordingly when the next increment in the time scale of either the new or the old post falls due, the Government servant should draw the next increment in the time-scale of the new post, and forthwith lose the personal pay and all connection with the time-scale of his old post.

Note 3 - The expression 'if he holds a lien on a permanent post' occurring in clause (a) of this Rule should be held to include the lien on a permanent post to which a Government servant is appointed in a provisionally substantive capacity under Rule 20 and the expression 'substantive pay' in respect of the permanent post, occurring in that Rule should be held to include his substantive pay in respect of that provisionally substantive appointment. This Rule should therefore, be held to permit the substantive pay in respect of a provisionally substantive appointment being taken into account in determining his initial pay in another post to which he is appointed. When the initial pay of a Government servant in a post is thus fixed, it will not be effected even if during the tenure of his appointment to that post he reverts from his provisional appointment.

Note 4 - For the purposes of this Rule and Rule 44 a declaration as to the relative degrees of responsibility of two posts should be obtained from the administrative Head of the Department or from Government according as the posts are in the same Department or in different Departments. A declaration is, however, necessary only when the relative degrees of responsibility are not obvious beyond doubt.

Note 5 - For the purposes of this Rule and Rule 43 a temporary post on a certain rate of pay (fixed or time-scale) which is converted into a permanent post on a different rate of pay is not the “same post as the permanent post even though the duties remain the same. In other words in view of Rule 8(46) the temporary post is to be regarded as having ceased to exist and to have been replaced by the permanent post. The incumbent of the temporary post is thus entitled only to the pay of the permanent post if it is on a fixed rate of pay or to the minimum of the time scale of the permanent post if it is on a time-scale unless his case is covered by the concession admissible under Note 1.

Note 6 - In the case of a Government servant appointed substantively to a post in which he has previously officiated and whose present substantive pay is the same as the pay which he drew when last officiating, the initial pay should be fixed with reference to his substantive pay in respect of the old post. Accordingly when a Government servant is appointed to a post substantively while officiating in it, he is entitled to have his pay fixed anew with reference to his substantive pay at the time in respect of his old permanent post.

¹[**Note 7 - A Government servant serving as a local candidate if appointed subsequently as a direct recruit to the same post, will continue to draw his pay with future increments as they fall due provided that where a period of probation is fixed, an increment or increments falling due ²[during and after that period shall be governed by the provisions of the Note below Rule 10 of the Karnataka Government Servants’ (Probation Rules, 1957)]**

(ii) Cases which have been decided already under rule 42-A shall not be reopened if refixation of pay under these rules is disadvantageous to the Government servant.

The initial substantive pay of a Government servant who is appointed substantively to a post on a time scale of pay which has been reduced for reasons other than diminution in the duties or responsibilities attached to posts thereon and who is not entitled to draw pay on the time scale as it stood prior to reduction regulated by Rule 41 provided that both in case covered by clause (a) of that rule and in cases, other than those of re-employment after resignation, removal or dismissal from the public service, covered by clause (b) of that rule, if he either,-

(1) has previously held substantively or officiated in :-

(i) the same post prior to reduction of its time scale, or

(ii) a permanent or temporary post on the same time scale as the unreduced time scale of the post, or

(iii) a permanent post other than a tenure post or a temporary post, on a time scale of pay identical with the unreduced time-scale of the post, such temporary post being on the same time-scale as a permanent post, or

(2) is appointed substantively to a tenure post the time scale of which has been reduced without a diminution in the duties or responsibilities attached to it and has previously held substantively or officiated in another tenure post on a time-scale identical with the unreduced time-scale of the tenure post; then the initial pay shall not be less than the pay, (other than ¹[special allowance], personal pay or emoluments classed as pay by Government), which he would have drawn under Rule 41 on the last such occasion, if the reduced time-scale of pay had been in force from the beginning and he shall count for increments the period during which he would have drawn that pay on such last and any previous occasions.

Note- The re-employment of a Government servant after resignation or after discharge on reduction of establishment or after invalidation out of service amounts to a fresh appointment for the purpose of Rule 41 and he will therefore draw the minimum of the time-scale. If in any case, it is considered that a higher rate of pay should be given the case can be dealt with under Rule 57.

Provided further that if a Government servant either-

(a) has previously held substantively or officiated in,-

(i) the same post, or

(ii) a permanent or temporary post on the same time-scale, or

(iii) a permanent post other than a tenure post, or a temporary post on an identical time-scale, or

(b) is appointed substantively to a tenure post on a time-scale identical with that of another tenure post which he has previously held substantively or in which he has previously officiated, then proviso to rule 41 shall apply in the matter of the initial fixation of pay and counting of previous service for increment.

(2) The pay of Government servant to whom sub-rule (1) is applicable, and who would have normally earned his next increment in the time-scale of the lower post but for his promotion to the said higher post or appointment to the said higher ex-cadre post shall be refixed in accordance with the provisions of sub-rule (1) in the time-scale of the higher post held by him, as if he had been promoted to the said higher post or appointed to the said higher ex-cadre post after he had earned the said increment in the lower post.

(3) The expression “ex-cadre” used in this rule means a stray post, which has been created in a department or service outside the regular line of promotion for a purely temporary period to meet a special need and appointment to which is made by selection from Government servants possessing the required qualification and experience.

Provided that where a Government servant appointed to a higher ex-cadre post is promoted, while holding such higher ex-cadre post, to a higher post in accordance with the Recruitment Rules of the Service to which he belongs, the pay drawn in such ex-cadre post shall not be taken into account for the purpose of fixation of initial pay on such promotion; but his initial pay in the post to which he is promoted shall be fixed with reference to the pay which he would have drawn in the post held by him before his appointment to the ex-cadre post.]

43. The holder of post, the pay of which is changed, shall be treated, as if he were transferred to a new post on the new pay, provided that he may at his option retain his old pay until the date on which he has earned his next or any subsequent increment on the old scale, or until he vacates his post or ceases to draw pay on that time-scale. The option once exercised is final.

²[Note 1] - If a Government servant has held substantively, or officiated in, a post in the cadre or class immediately prior to the introduction of a new time-scale, and has drawn during the period pay or salary equal to a stage or intermediate between two stages in the new time-scale, then the initial pay or salary in the new time-scale shall be fixed on the basis of the pay or salary last drawn.

²[Note 2 - The above rule applies also in cases where a revision of pay is accompanied by change in the status of the posts. In such cases the posts virtually continue as before. Where, however, a revision of pay is concurrent with a specific change in the duties and responsibilities attached to the post, the old post will be deemed to have been substituted by a different post. In such cases, the individual will be treated as having been appointed to a higher or lower post, as the case may be, and pay will be fixed under the relevant rules, and not under this rule.]

44. (1) Subject to the provisions of Chapter III a Government servant who is appointed to officiate in a post shall not draw pay higher than his substantive pay in respect of a permanent post other than a tenure post, unless the officiating appointment involves the assumption of duties and responsibilities of greater importance than those attaching to the post, on which he holds a lien or would hold a lien had his lien not been suspended:

(2) For the purposes of this Rule, the officiating appointment shall not be deemed to involve the assumption of duties or responsibilities of greater importance if the post to which it is made, is on the same scale of pay as the permanent post, on which he holds a lien or would hold a lien had his lien not been suspended or on a scale of pay identical therewith.

As and when the Government servant reverts to that post from deputation/higher post, the actual pay to be given to him on the date of reversion will be arrived at with reference to such notional pay.]

¹[Note 3 -The provisions of clause(a) of rule 45 shall be applicable with effect from 1st January 1958, and shall apply to cases arising after that date and coming under Rule (40)(a) of the Karnataka Pay and Allowance Rules,1957]

²[Explanation:- Where an increment in the substantive post falls due during a period of leave and the refixation of officiating pay under sub-clause (ii) of clause (a) of this rule is to the Government servant's advantage, the officiating pay may be regulated as follows:

(i) In the case of a Government servant proceeding on leave, if the period of leave counts for increments in the officiating post either under rule 53(b) or 53(c) subject to the fulfilment of the conditions and production of the necessary certificates, his officiating pay may be refixed under sub-clause (ii) of clause (a) of this Rule, from the very date of increment or increase in the substantive pay as if he was appointed to officiate in that post on that date. The benefit of the increase in officiating pay can be had by him only from the date of resumption of duties but his next increment in the officiating post will accrue to him from an earlier date in the next year calculated with reference to the date of refixation of pay.

(ii) If, however, the period of leave does not count for increment in the officiating post, the Government servant loses all connection with that post during that period and he will be entitled to get his officiating pay refixed only from the

date he returns from leave in which case the next increment will fall due only after completion of ¹[the prescribed period of duty] from the date of resuming charge unless he becomes entitled to refixation of pay under sub-clause (a) of this Rule once again from an earlier date.]

(b) When a Government servant officiates in a post the pay of which has been fixed at a rate personal to another Government servant, Government may permit him to draw pay at any rate not exceeding the rate so fixed or, if the rate so fixed be a time-scale, may grant him initial pay not exceeding the lowest stage of that time-scale and future increments not exceeding those of the sanctioned scale.

(c) A Competent Authority may fix the pay of an officiating Government servant at an amount less than that admissible under these rules.

Instructions:- The power conferred by clause (c) of this Rule is not exercisable save by a special order passed in an individual case and on the consideration of the facts of that case.

Note 1 - When a Government servant is appointed to officiate in a post on a time-scale of pay fixed below the minimum of the time-scale under clause (c) of this Rule, he must not be treated as having effectually officiated in that post within the meaning of Rule 41 (b) or having rendered duty in it within the meaning of Rule 53. Such a Government servant, on confirmation should have his initial pay fixed under Rule 41 (b) and draw the next increment after he has put in duty for the usual period required, calculated from the date of his confirmation.

Note 2 - One class of cases falling under clause (c) of this Rule is that in which a Government servant merely holds charge of the current duties and does not perform the full duties of the post. In such cases a charge allowance is allowed in addition to his pay .

- 46.** A person holding no substantive appointment under Government, who is appointed to officiate in a permanent post or to hold a temporary post on a time-scale of pay, shall not be allowed to count, for the purposes of increment on the time-scale post non-continuous officiating service in such permanent post or non-continuous service in such temporary post.

Note - Service shall be deemed non-continuous only if it is interrupted by actual loss of appointment.

- 47.** Except when the authority sanctioning it orders otherwise, personal pay shall be reduced by any amount by which the recipient's pay may be increased and shall cease as soon as his pay is increased by an amount equal to his personal pay.

- 48.** When a temporary post is created, which may have to be filled by a person not already in Government service, the pay of the post shall be fixed with reference to the minimum that is necessary to secure the services of a person capable of discharging efficiently the duties of the post.

- 49.** (a) When a temporary post is created, which will probably be filled by a person who is already a Government servant, its pay should be fixed by a competent authority with due regard to –

(1) the character and responsibility of the work to be performed, and

(2) the existing pay of Government servants of a status sufficient to warrant their selection for the post.

Note 1 - The following principles should be observed in fixing pay of temporary posts:-

(i) No Government servant may be placed on special duty or on deputation without the sanction of Government. A Government servant placed on 'special duty' or 'on deputation' should have the pay of his temporary post fixed at what his pay would have been from time to time in the regular line had he not been so deputed.

If the sanctioning authority is satisfied that a Government servant so deputed would otherwise have been advanced very shortly afterwards to a post carrying higher pay than that which he was drawing at the time his 'special duty' or 'deputation' begins and would continue to hold such a post for approximately the same period as his temporary post is expected to last it may take this fact into account and fix a uniform pay throughout the period.

(ii) The sole criteria for sanctioning enhanced pay in such cases is proof of a decided increase of work or responsibility in comparison with the duties of the post which the Government servant would otherwise occupy in the regular line. Where the test of comparative responsibility is not practicable, clause (a) of this Rule may be followed.

(iii) Any extra remuneration sanctioned because of such increased work or responsibility should not in any case exceed a maximum of twenty percent of the pay; and the rate should be ordinarily ten percent and the same should be allowed for a temporary period.

Note 2 - Temporary posts may be divided into two categories:-

(i) posts created to perform the ordinary work for which permanent posts already exist in a cadre, the only distinction being that the new posts are temporary and not permanent, and

(ii) isolated posts created for the performance of special tasks unconnected with the ordinary work which service is called upon to perform.

An example of the latter type of post would be a post on a commission of enquiry.

A distinction by strict verbal definition is difficult, but In practice there should be little difficulty in applying the distinction in individual cases. The former class of posts should be considered to be a temporary addition to the cadre of a service whoever may be the individual appointed to the post. The latter class of temporary posts should be considered as un-classified and isolated ex-cadre posts. Temporary posts

which by this criterion should be considered as temporary additions to the cadre of a service should be created in the time-scale of the service ordinarily without extra remuneration. Incumbents of these posts will, therefore, draw their ordinary time-scale pay. If the posts involve decided increase in work and responsibility in comparison with the duties of the parent cadre generally, it may be necessary to sanction a special pay in addition. For isolated ex-cadre posts, it may occasionally be desirable to fix consolidated rates of pay. Where, however, the post is to be held by members of service, it will ordinarily be preferable also to create the post in the time-scale of the holder's service with a special pay, if necessary.

(b) Special pay does not include reimbursement of cost of travelling and a Government servant who draws special pay is not thereby debarred from drawing any travelling allowance which would be admissible to him if the duty on which he is deputed were treated as a new permanent appointment.

Deputations to Other Departments

¹[50. (1) When a Government servant is permanently transferred or deputed from one department to another under the provisions of rule 16 of the Karnataka State Civil Services (General Recruitment) Rules, ²[1977], he will draw pay in the new post at the same stage in which he was drawing in the old post and earn the next increment on the date on which he would have earned it had he continued in the old post.

(2) (a) When a Government Servant deputed from one department to another returns to the parent department he will draw the pay he would have drawn but for his deputation to the other department.

(b) Where, however, a Government servant is deputed to another department on special temporary duty against no sanctioned post, he will continue to draw pay in the grade of the post held by him in his parent department and will continue to retain a lien in his parent department.

(3) Such deputations should not ordinarily extend beyond five years except under special orders of Government.]

Increment

- 51.** (1) Increment accrues from the day following that on which it is earned. An increment shall ordinarily be drawn as a matter of course unless it is withheld. An increment may be withheld from a Government servant by a competent authority, in accordance with the rules applicable for ordering the withholding of increments if his conduct has not been good or his work has not been satisfactory. In ordering the withholding of an increment, the withholding authority shall state the period for which it is withheld, and whether the postponement shall have the effect of postponing future increments.

¹[(2) As and from the first day of April 1973, an increment which accrues on a day other than the first day of a month, shall be advanced to the first day of that month subsequent increment being regulated accordingly.]

Note - When the authority passing orders to withhold an increment fails to specify clearly for what period the officer is to be deprived of his increments, the deprivation should be held to cease on the expiry of the period during which the officer would have drawn the increment withheld. For example, if on the 1st July 1958, an officer already drawing a pay of Rs.110/- from, 1st July, 1957 in a grade of Rs. 100-10-150 and in ordinary course entitled to an increment of Rs.10/- on the 1st July each year is punished by refusal of the next increment, to which he would otherwise have been entitled on that date, he will, in the absence of special orders to the contrary be entitled on the 1st July 1959 to draw Rs. 130/- and not Rs. 120/- only.

- ²[**51-A.** (1) Notwithstanding anything contained in Rule 51, where under the conditions of his service a Government servant has to pass any service examination or test before earning an increment he shall not earn the increment until he passes such examination or test.

Explanation - The provisions of sub-rule (2) will not entitle the Government servant to payment of any amount other than that drawn by him before earning the increment for the period during which he did not earn the increment. He will only be entitled to the fixation of his pay in the time-scale at the stage at which he would have drawn the pay, if the earning of the increment had not been deferred.]

²[52. xxx]

53. The conditions under which service counts for increments in a time- scale are as follows:-

¹[(a) All duty in a post on a time-scale counts for increment in that time scale:

Provided that for the purpose of arriving at the date of the next increment in that time-scale, the total of all such periods as do not count for increments in that time-scale shall be added to the normal date of increment.]

Note 1 - In the case of a Government servant, who, while officiating in one post, is appointed to officiate in another, the period of joining time spent in proceeding from one post to the other should be treated as duty in the post, the pay of which the Government servant draws during the period and will count for increment in the same post.

2. Omitted by No.FD 05 SRA 2012,dated 29.01.2014.(w.e.f 30.01.2014)

Note 2 - In the case of a Government servant who, officiating in a post, proceeds on training or to attend a course of instruction and who is treated as on duty while under training, the period of such duty, will count for increment in the post in which he was officiating prior to his being sent for training or instruction if he is allowed the pay of the officiating post during such period.

Note 3 - In cases where the passing of an examination or test confers on a Government servant the ¹[title to increments] such title should be deemed to have accrued on the day following the last day of the examination or test which he passed. In cases where the examination or test can be passed in more than one instalment, the ¹[title to increments] will be deemed to have accrued on the day following the last day of the last instalment of, the examination or test which he is required to pass.

¹[The title to increments conferred by passing the examination is subject to the person concerned being otherwise eligible for the increments.]

²[Note 4 - In the case of eight monthly peons employed in the Land Records Department, the period during which the establishment is not employed shall be treated as duty counting for increments in the time scale of pay sanctioned for such establishment provided that it shall not be so treated unless the peon is actually on duty immediately prior to and immediately subsequent to such period, viz.,

Periods of deputation to other Departments of Government in accordance with Rule 16 of General Recruitment Rules, 1977 and Rule 50 of Karnataka Civil Service Rules count for increment in the time-scale applicable to the post held at the time of Deputation or to which the Government servant may be promoted in the parent Department while on Deputation.]

his officiating or temporary service in the higher post shall, if he is reappointed to the lower post, or is appointed or re-appointed to a post on the same time-scale of pay, count for increments in the time-scale applicable to such lower post.

The period of officiating service in the higher post which counts for increments in the lower post is, however, restricted to the period during which the Government servant would have officiated in the lower post but for his appointment to the higher post.

This clause applies also to a Government servant who is not actually officiating in the lower post at the time of his appointment to the higher post, but who would have so officiated in such lower post or in a post on the same time-scale of pay had he not been appointed to the higher post.

(f) Foreign service counts for increments in the time-scale applicable to-

(i) the post in Government service on which the Government servant concerned holds a lien as well as the post or posts, if any, on which he would hold a lien had his lien not been suspended, and

¹[(ii) the post in Government service in which the Government servant was officiating immediately before his transfer to foreign service so long as he would have continued to officiate in that post ²[or a post] on the same time-scale but for his going on foreign service; and

(iii) any post in which he may receive officiating promotion under Rule 423 for the duration of such promotion.]

(ii) Joining time availed of by a Government servant in continuation of leave counts for increment in the time scale applicable to the post/posts on which the last day of leave before commencement of joining time counts for increment. (iii) Joining time availed of by a Government servant in continuation of suspension counts for increment in the time scale applicable to the post the pay of which is received by him for the period of joining time.]

54. When the conditions of service of a Government servant are such that he is liable to be transferred in the same department or in different departments including Local Bodies between appointments of which the pay and increments are identical, his service shall, in the case of such a transfer, count for increments as if he had not been transferred.

55. Time passed under suspension does not count towards increments if the authority competent to impose any punishment directs that the period of suspension shall not count as duty under Rule 100.

¹[**55.A** The period treated as “dies-non” shall not be counted for increment.]

²[**56. xxx**]

57. An authority may grant a premature increment to a Government servant on a time-scale of pay if it has power to create a post in the same cadre on the same scale of pay.

Note 1 - In the case of increments granted in advance, it is usually the intention that the officer should be entitled to increments in the same manner as if he had reached his position in the scale in the ordinary course and in the absence of special orders to the contrary he should be placed on exactly the same footing, as regards future increments as an officer, who has so risen.

2. Deleted by No. FD 66 SRS 60 dated 12.5.1960.

Note 2 - A proposal to grant an increment to a Government servant on a time-scale pay in advance of the date should be scrutinized with special jealousy as it is contrary to the principle of a time-scale pay to grant an increment before it is due. Such a grant of advance increment should not, therefore be recommended or allowed except under circumstances which would justify the grant of personal pay to a Government servant. Such increments in advance can be allowed only under the special order of Government in each case.

- 58. The authority which orders the transfer of a Government Servant as a penalty from a higher to a lower grade or post may allow him to draw any pay not exceeding the maximum of the lower grade or post which it may think proper:**

¹[Provided that the pay allowed to be drawn by a Government servant under this rule shall not exceed the pay which he would have drawn by the operation of Rule 41 read with clause (b) or clause (d), as the case may be, of Rule 53.]

Note - Once the pay is fixed in the lower post in the manner indicated above the regulation of increments in the lower post will be made under the normal rules unless the increment in the lower post also is withheld.]

- 59. ²[(1)(a) Where a Government servant's pay is reduced as a measure of penalty to a lower stage in his time scale, the authority ordering such reduction shall indicate-**

- (i) the date from which the penalty will take effect;**
- (ii) the period (in terms of years and months) for which the penalty shall be operative;**
- (iii) the stage in the time-scale (in terms of rupees) to which the pay of the Government servant is reduced;**
- (iv) whether the Government servant will earn increments during the period referred to at (ii) above, and**

(v) whether, on the expiry of the period referred to at (ii) above, the reduction will operate to postpone his future increments and if so the extent (in terms of years and months) to which it would operate to postpone future increments.

(b) The reduction of pay to a lower stage in a time scale is not permissible under the rules either for an unspecified period or as a permanent measure.

(c) the period to be specified under (v) in clause (a) above, should in no case exceed the period specified under (ii) *ibid*.

(d) The question as to what should be the pay of a Government servant on the expiry of the period of reduction shall be decided as follows:-

(i) If the order of reduction lays down that the period of reduction shall not operate to postpone future increments, the Government servant should be allowed the pay which he would have drawn in the normal course but for the reduction.

(ii) If the order of reduction specifies that the period of reduction shall operate to postpone future increments for any specified period, the pay of the Government servant shall be refixed in accordance with (i) above, but after treating the period for which the increments are postponed as not counting for increments.

(e) Where a Government servant who is reduced to a lower stage in his time scale for a specified period, is promoted to a higher post during the period of such reduction, his pay on such promotion shall be regulated as follows:-

(i) The pay of the Government servant shall be fixed under the relevant rules regulating fixation of pay on the date he assume charge of the post to which he is promoted on the basis of the pay he is drawing as a result of the penalty.

(ii) The pay of the Government servant shall simultaneously be fixed notionally on the basis of the pay he would have been entitled to, had the penalty not been imposed. This fixation will, however, be operative from the date following the date of expiry of the period of reduction.

(iii) The service rendered by the Government servant in the higher post shall count for increment from the date he took charge of the post.

(iv) The principles of fixation of pay laid down at (i) to (iii) above, shall be applicable also in cases where a Government servant is promoted during the currency of the penalty of withholding of increments.

(f) Where increments are allowed under clause (a) (iv) above, the Government servant shall draw during the period of penalty increments with reference to the reduced pay.]

(2) If a Government servant is reduced as a measure of penalty ¹[to a lower service, grade or post, or to a lower time-scale] the authority ordering the reduction may or may not specify the period for which the reduction shall be effective, but where the period is specified, that authority shall also state whether, on restoration, the period of reduction shall operate to postpone future increments and, if so, to what extent.

²[Note - Where the period of reduction is specified under sub-rule (2) of this rule, the Government servant concerned shall be automatically restored to his old post after the expiry of the specified period and his pay on such restoration shall be regulated as follows :-

(i) if the order of reduction lays down that the period shall not operate to postpone future increments, the Government servant shall be allowed the pay which he would have drawn in the normal course but for his reduction to the lower post. If the pay drawn by him immediately before reduction was below the efficiency bar, he shall not be allowed to cross the bar except in accordance with the provisions of Rule 52;

(ii) if the order lays down that the period of reduction shall operate to postpone his future increments for any specified period which shall not exceed the period of reduction to the lower post/ grade, the pay of the Government servant on restoration shall be fixed in accordance with (i)

1. Amended by No.FD 94 SRS 60 dated 7.7.1960 (wef 14.7.1960)

above but after treating the period for which increments are to be postponed as not counting for increments.

In cases where the reduction to the lower post/grade is for an unspecified period, if and when the Government servant is reappointed to the higher post in the normal course the pay in the higher post will be regulated only in accordance with the normal rules relating to fixation of pay.]

¹[Instruction xxx]

²[59-A.

Where an order of penalty of withholding of increment of a Government servant or his reduction to a lower service, grade or post, or to a lower time-scale, or to a lower stage in a time-scale is set aside or modified by a competent authority on appeal or review, the pay of the Government servant shall notwithstanding anything contained in these Rules, be regulated in the following manner:-

(a) If the said order is set aside, he shall be given, for the period such order has been in force, the difference between the pay to which he would have been entitled had that order not been made and the pay that he had actually drawn.

(b) If the said order is modified, the pay shall be regulated as if the order as so modified had been made in the first instance.

Explanation - If the pay drawn by a Government servant in respect of any period prior to the issue of the orders of the competent authority under this rule is revised the leave salary and allowances (other than travelling allowance), if any, admissible to him during that period shall be revised on the basis of the revised pay.]

³[Note - In respect of cases falling under sub-rule (a) of this Rule, service rendered by the Government servant in the lower service, grade or post and or lower time-scale or lower stage in the time-scale or at the stage the increment was withheld, from the date of imposition of such penalty by the

disciplinary authority to the date on which the order of penalty is set aside by the competent appellate or reviewing authority, shall count for increment or for other purposes in the post which he was holding immediately before the imposition of the penalty provided that he would have continued to hold that post but for the order of penalty.

In respect of cases falling under sub-rule (b), of this Rule such service from the date of imposition of the penalty by the disciplinary authority to the date on which the order is modified by the appellate or reviewing authority, shall be counted for the purpose of increment or for other purposes in the post which he was holding immediately before the imposition of the penalty or any other post which he would have held but for the order of penalty, to the extent the modified order permits such counting.

For example, if an officer of a Class I service in the senior scale (Rs. 900-1300) is reduced to a Class II service (Rs. 250-500) for a period of say, two years, and if after six months, the order is modified by the appellate authority as reduction to the Class I Service in the Junior Scale (Rs. 350-800) the period of six months will count for increment in the junior scale.

If on the other hand, the order of penalty is modified as reduction to a lower stage in the time-scale (Rs. 900-1300) for a specified period or withholding of increment, in that time-scale for a specified period, the period that has already elapsed since the date of imposition of the original penalty shall be taken into account only for the purpose of computing the specified period of penalty under the modified order.]

NEXT- BELOW- RULE

60. When, a person in a post (whether within the cadre of his service or not) is for any reason prevented from officiating in his turn in a post on a higher scale or grade borne on the cadre of the service to which he belongs, he may be authorised by special order of the appropriate authority proforma officiating promotion into such scale or grade and thereupon be granted the pay of that scale or grade if that be

more advantageous to him, on each occasion on which the person immediately junior to him in the cadre of his service (or if that person has been passed over for reasons of inefficiency or unsuitability or because he is on leave or serving outside the ordinary line or foregoes officiating promotion of his own volition to that scale or grade, then the person next junior to him not so passed over) draws officiating salary in that scale or grade;

Provided that all persons senior to the person to whom the benefit under the substantive part of this rule is to be allowed are also drawing, unless they have been passed over for one or other of the reasons aforesaid, officiating salary in the said or some higher scale or grade within the cadre.

Provided further that not more than one person (either the senior most fit person in a series of adjacent persons outside the ordinary line, or, if such a person either foregoes the benefit of his own volition or does not require the benefit by virtue of his holding a post outside the ordinary line which secures him at least equivalent benefits in respect of salary and pension then the next below in the series) may be authorised to draw the salary of the higher scale or grade in respect of any one officiating vacancy within the cadre filled by his junior under this Rule.

Note 1 - A purely fortuitous officiating promotion given to a person who is junior to one outside the regular line does not in itself give rise to a claim under the 'Next Below' Rule.

¹[Note 2 - The benefit of officiating promotion under this Rule shall be allowed to Officers who are outside the cadre subject to the fulfillment of the conditions laid down therein, only against promotions in a cadre in vacancies of more than 120 day's duration. In other words, the initial vacancy as well as subsequent vacancies on the basis of which the benefit is to be continued should each be of more than 120 days' duration. The benefit should not be allowed in respect of promotions against a chain of vacancies which taken together extend beyond 120 days.]

¹[Exception - The provisions of this rule apply also to a Government servant deputed abroad on study leave concessions under rule 1 of the Appendix II to these rules and to a Government servant who goes abroad for higher studies at his own cost under Rule 10 of the said Appendix. The maximum period of leave which will be recognized for purposes of according pro-forma promotion shall be two years for post- graduate and other courses and 3 years for Ph.D. if the candidate is successful in all his examinations within that period. The monetary benefit of promotion will, however, have effect from the date he rejoins duty after the expiry of leave.]

(1) (a) The State Government may, with due regard to the exigencies of public service, depute or grant study leave to a Government servant for prosecution of a special course of study consisting of higher studies or specialized training in professional or technical subjects having a direct and close connection with the sphere of his duty.

(b) The State Government may also grant study leave to a Government servant for prosecution of studies which may not be closely or directly connected with his work but which are capable of widening his mind in a manner likely to improve his abilities as a civil servant and to equip him better to collaborate with those employed in the other branches of public service.

(2) A Government servant who is deputed or granted study leave for higher studies or specialized training shall not be entitled to claim any monetary benefit or seniority by virtue of the higher qualification or training acquired.

(2) During the transit period, they will be entitled to their Civil rates of pay and allowances to be met from the budget head to which such expenditure is normally debitable. No travelling allowance will, however be admissible to them because they would travel on railway warrants and would draw money in lieu of ration and mineral water and ice allowance during summer months.

(3) For the period of training (excluding periods of transit) if the pay and allowance (excluding concessions in kind, e.g. free ration, etc.)admissible as a reservist are less than the pay and allowances admissible in the Civil post, the difference will be paid and debited to the budget head to which the individual's Civil pay is normally debatable.]

66. Government may appoint one Government servant to hold substantively as a temporary measure, or to officiate in two or more independent posts at a time. In such cases his pay is regulated as follows:-

(a) the highest pay, to which he would be entitled if his appointment to one of the posts stood alone, may be drawn on account of his tenure of that post;

(b) for each other post he draws such reasonable pay in no case exceeding half the presumptive pay of the post, as Government may fix; and

(c) if compensatory or other allowances are attached to one or more of the posts, he draws such allowances as Government may fix, provided that such allowances shall not exceed the total of the compensatory and sumptuary allowances attached to all the posts.

CHARGE OF CURRENT DUTIES

68. ¹[When a Government servant is appointed to be in-charge of the current duties or independent charge of an office, in addition to his own duties and the charge entails a substantial increase of responsibility and some additional work, he shall be entitled to 7.5% of the minimum of the scale of pay applicable to the post in which he is placed in-charge or independent charge, as additional pay (Charge Allowance) to be fixed by the authority competent to appoint him as such;]

(Letter No.FD 9654/S-1/58 dated 29th January 1959)

2. It is not clear whether the clarification issued in letter dated 29th January 1959 is applicable to cases where a Government servant appointed to be in independent charge of a post under rule 32 of Karnataka Civil Services Rules is placed in additional charge of duties of another post under rule 68 of Karnataka Civil Service Rules concurrently.

An actual case is given below.

Instruction 1:- A permanent post vacated by the dismissal, removal or compulsory retirement of a Government servant should not be filled up substantively, until the period of one year from the date of such dismissal, removal or compulsory retirement, as the case may be. Where, on the expiry of the period of one year, the permanent post is filled and the original incumbent of the post is reinstated thereafter, he should be accommodated against any post which may be substantively vacant in the grade to which his, previous substantive post belonged. If there is no such vacant post, he should be accommodated against a supernumerary post which should be created in this grade with proper sanction and with the stipulation that it would be terminated on the occurrence of the first substantive vacancy in that grade. (O.M. No. FD 49 SRS 61 dated 16.6.1961)

Instruction 2:- Government have had under their consideration the circumstances in which supernumerary posts may be created and what should be the general principles governing the creation of such posts. Instructions have also been issued regarding the creation of supernumerary posts to accommodate the following categories of officials:-

(1) Permanent Government servants who are substantively reduced to a lower post on account of inefficiency or misbehavior and for whom permanent posts in the lower service/ grade/time-scales, etc., are not available (vide OM No. FD 148 SRS 60, dated 26th October 1960).

(2) Permanent Government servants who vacate their posts as a result of dismissal, removal or compulsory retirement but are later reinstated after the expiry of a period of more than one year. (Vide Instruction below Rule 100 of Karnataka Civil Services Rules, issued in OM NO. FD 49 SRS 61, dated 16th June 1961). It is however, not possible to give an exhaustive list of the circumstances in which supernumerary posts may be created. Government are therefore, pleased to lay down the following broad principles governing the creation of such post :-

(i) A supernumerary post is normally created to accommodate the lien of a Government servant, who, in the opinion of the authority competent to create such a post is entitled to hold a lien against a regular permanent post but who due to non-availability of a regular permanent post cannot have his lien against such a post.

(ii) It is a shadow post, i.e., no duties are attached to such a post. The Government servant whose lien is maintained against such post, generally performs duties in some other vacant temporary or permanent post.

(iii) It can be created only if another vacant permanent or temporary post is available to provide work for the person whose lien is retained by the creation of the supernumerary post. In other words, it should not be created in circumstances which, at the time of the creation of the post or thereafter, would lead to an excess of the working strength.

(iv) It is always a permanent post. Since, however, it is a post created for accommodating a permanent Government servant till he is absorbed in a regular permanent post. It should not be created for an indefinite period as other permanent posts are but should normally be created for a definite and fixed period sufficient for the purpose in view.

(v) It is personal to the Government servant for whom it is created and no other Government servant can be appointed against such a post. It stands abolished as soon as the Government servant for whom it was created vacates it on

account of retirement or confirmation in another regular permanent post or for any other reason. In other words, no officiating arrangements can be made against such a post. Since a supernumerary post is not a working post the number of working posts in a cadre will continue to be regulated in a manner that, if a permanent incumbent of one of the regular posts returns to the cadre and all the posts are manned, one of the Government servants of the cadre will have to make room for him. He should be shown against a supernumerary post.

(vi) There should be no extra financial commitment involved in the creation of such posts in the shape of increased pay and allowances, pensionary benefits, etc.,

2. Subject to the observance of the principles set out in the previous paragraph, supernumerary posts may be created only in consultation with the Finance Department.

3. The Heads of Departments should maintain a record of the supernumerary posts, the particulars of the individuals who hold liens against them and the progressive abolition of such posts as and when the holders of the posts retire or are absorbed in regular permanent posts, for the purpose of verification of service pension.

PART-III
CHAPTER- XIII
PROCEDURE RELATING TO LEAVE GENERAL RULES

174 (a) The leave account of a Gazetted Government servant shall be maintained by, or under the direction, of the Audit Officer responsible for the audit of his pay.

(b) The leave account of non-gazetted Government servants shall be maintained, and the entire therein attested, by the Head of the Office in which he is employed.

175. An application for leave or for an extension of leave must be made through the immediate departmental superiors (if any) to the authority competent to grant such leave or extension ¹[in Form 1-A.]

²[Provided that no such application shall be necessary-

(1) When a Government servant makes a request for extension of leave, by a letter with necessary particulars, or

(2) When the authority competent to sanction leave comes to know that a Government servant is absent from duty due to illness or that a Government servant has died]

176. A Government servant returning from leave is not entitled in the absence of specific orders to that effect to resume as a matter of course the post which he had before going on leave. ³[He must return to the station from where he proceeded on leave and report to the authority under whom he was serving before he proceeded on leave unless there are any orders to the contrary.] He must if necessary also submit to such delay as may be unavoidable in the interest of public service.

Note- Controlling Officers should provide for the expected return of Government servant from leave by seeing that the Government servant to be relieved are at headquarters in due time to give over charge.

1. Inserted by No. FD 151 SRS 61, dated 5-1-1962.

2. Inserted by No. FD 3 6 SRS 81 dated 11-5-1982 (wef 20-5-1982).

3. Substituted by No. FD 41 SRS 65 dated 22-1-1966 (wef 15-3-1966).

177. Medical officers must not recommend the grant of leave in any case in which there appears to be no reasonable prospect that the Government servant concerned will ever be fit to resume his duties. In such cases the opinion that the Government servant is permanently unfit for Government service should be recorded in the medical certificate.

178. Every certificate of a Medical Committee or a Medical Officer recommending the grant of leave to a Government servant must contain a proviso that no recommendation contained in it shall be deemed to be evidence of a claim to any leave not admissible to the Government servant under terms of his contract or of the rules to which he is subject.

Note:- In all cases where half pay leave 'not due' is granted to a Government servant, the Medical Officer granting the Medical certificate should specifically state therein that as far as can be reasonably foreseen by him there is every likelihood of the Government servant returning to duty and continuing in service for a specified number of years. Such a certificate is necessary to enable the sanctioning authority to grant or refuse leave 'not due' basing his judgement on the medical opinion so furnished.

In the case of Government servants suffering from tuberculosis not admitted to a Sanatorium, the medical certificates as above granted by the Medical Officers may be accepted and in the case of those admitted to a Sanatorium, the certificate granted by the Medical Officer in charge of the Sanatorium may be accepted.

Note:- Government have delegated to Heads of Departments the power of sanctioning the disbursement of leave allowance under this rule to non-gazetted Government servants of their departments.

Instructions:- A question has been raised as to whether the concurrence of the Finance Department should be obtained to sanction the payment of leave allowances when leave is sanctioned with retrospective effect to the Gazetted Officers. The question has been examined and it has been decided that the Administrative Secretariat Departments may sanction such payments without the concurrence of the Finance Department. They should however ensure that the delay in sanctioning leave was unavoidable and the sanction of leave is in accordance with the rules. (O.M. No. FD 110 SRS 68 dt. 9-7-1968)

(3) No judicial proceedings, if not instituted while the Government servant was in service, whether before his retirement or during his re-employment, shall be instituted in respect of a cause of action which arose or in respect of an event which took place, more than four years before such institution.

(4) In the case of a Government servant who has retired on attaining the age of superannuation or otherwise and against whom any departmental or judicial proceedings are instituted or where departmental proceedings are continued under sub-rule (2), a provisional pension as provided in Rule 214A shall be sanctioned.

(5) Where the Government decided not to withhold or withdraw pension but orders recovery of pecuniary loss from pension, the recovery shall not ordinarily be made at a rate exceeding one third of the pension admissible on the date of retirement of a Government servant.

(6) For the purpose of this rule,-

(a) departmental proceedings shall be deemed to be instituted on the date on which the statement of charges is issued to the Government Servant or pensioner, or if the Government servant has been placed under suspension from an earlier date, on such date: and

(b) judicial proceedings shall be deemed to be instituted-

proceeding but no recovery shall be made where the pension finally sanctioned is less than the provisional pension or the pension is reduced or withheld either permanently or for a specified period.

¹[Note: xxx]

215. In cases not governed by the provisions of Rule 214, the following rules shall govern the recoveries from pension and compassionate allowances:-

(1) A claim may become known and the question of recovery may arise:

(A) When the calculation of pension is being made and before the pension is actually sanctioned: or (B) after the pension has been sanctioned.

(2) The claim and the recovery may be one or other of the following:-

(a) Recovery as a punitive measure in order to make good the loss caused to Government as a result of negligence or fraud on the part of the person concerned while he was in service.

(b) Recovery of other Government dues such as over issues of pay, allowances, or leave salary or admitted and obvious dues such as house rent, life insurance premia, outstanding motor car, house building, travelling and other advances.

(c) Recovery of non-Government dues.

(3) In cases falling under clause (1)(A) above, none of the recoveries mentioned in clause (2) (a) to (c) above may be effected by a reduction of the pension about to be sanctioned except in the following circumstances:-

(a) When the service of a Government servant can be held to have been not thoroughly satisfactory, a reduction in the amount of pension may be made ¹[xxx] by a competent authority although no direct penal recovery from pension is permissible.

1. Deleted by No. FD 100 SRS 83 dated 3-1-1985 (w.e.f. 10-1-1985).

(b) When the pensioner by request made or consent given has agreed that the recovery may be made ¹[provided such recovery is restricted to the amount of pension which has already become payable on the date of the agreement or consent.] If such request is not made or consent is not given by the pensioner, even sums admittedly due to Government such as house rent, outstanding advances, etc., may not be recovered from pension.

In such cases, however, the executive authorities concerned would have to consider whether they should not try to effect the recovery otherwise than from pension, for example, by going to a Court of Law, if necessary.

(4) In cases falling under clause (1)(B) above, none of the recoveries mentioned in clause (2) (a) to (c) above may be effected by deduction from the pension already sanctioned except at the request or with the express consent of the pensioner:

¹[Provided such recovery is restricted to the amount of pension which has already become payable on the date of such agreement or consent.] In cases where the pensioner does not agree to recovery being made even of sums admittedly due to Government, action as indicated in the last sentence of clause (3) may be taken.

²[215-A.

³[Notwithstanding the pension rules applicable to a Government servant,] it is permissible to make recovery of Government dues ⁴[and any pecuniary loss found to have been caused to Government in any departmental or judicial proceedings instituted against such Government servant under rule 214] ⁵[along with interest at eight percent per annum from the date of occurrence of pecuniary loss to Government or from the date on which the Government dues actually fall due, as the case may be] from Death-cum-Retirement Gratuity or any other gratuity payable to a Government servant without obtaining his consent and when the Government servant is dead without obtaining the consent of the members of his family.]

¹[Note :- Where Government dues or the amount of any pecuniary loss assessed against a retired Government servant under rule 214, is recoverable under the above rule from the death-cum-retirement gratuity or any other gratuity payable to him, the pension sanctioning authority may order and draw the death-cum-retirement gratuity to the extent of Government dues pending recovery and remit the amount so drawn to the proper head of account by debit to the Head of account under which death-cum-retirement gratuity would have been debited in the normal course, even though the retired Government servant or in the event of his death, the person eligible to claim to death- cum-retirement gratuity or any other gratuity does not prefer his claim.]

216. In the following cases, no claim to pension is admitted:-

(a) When a Government servant is appointed for a limited time only, or for a specified duty, on the completion of which he is to be discharged;

(b) When a person is employed temporarily on monthly wages without specified limit of time or duty; but a month's notice of discharge should be given to such a person, and his wages must be paid for any period by which such notice falls short of a month;

(c) When a person's whole time is not retained for the Public Service but he is merely paid for work done for the State.

Note:- This clause applies, among others, to the following Government servants, viz., Advocate-General, Administrator General, Official Trustee, Government Pleaders and Public Prosecutors not debarred from private practice.

(d) When a Government servant holds some other pensionable office he earns no pension in respect of an office of the kind mentioned in clause (c) or in respect of duties paid for by a local allowance:

(e) When a Government servant serves under a covenant which contains no stipulation regarding pension.

- 217.** No pension may be granted to a Government servant dismissed or removed for misconduct, insolvency, or inefficiency, but in cases in which the Government servants so dismissed or removed are deserving of special consideration, compassionate allowances may be granted provided that the allowance granted to any Government servant shall not exceed two-thirds of the pension which would have been admissible to him if he had been retired on medical certificate.

Note 1:- Compassionate Grant may be made on the basis of the maximum of $\frac{2}{3}$ of the invalid pension and Death-cum-Retirement Gratuity admissible under the rules, and it need not be limited to $\frac{2}{3}$ of invalid pension only. The Compassionate Grant would automatically cease when a Government servant dies and would be replaced by Family Pension.

Note 2:-¹[The compassionate allowance granted to a Government servant under the above rule shall be treated as pension for the purpose of commutation under these rules.]

²[Note 3:- The amount of compassionate allowance to be granted under this rule, shall be in whole rupees only.]

- 218.** A Government servant compulsorily retired from service as a penalty may be granted by the authority competent to impose such penalty, pension at a rate not less than two-thirds of the invalid pension and not more than full invalid pension admissible to him on the date of his compulsory retirement.

³[Note]:- The intention, is that persons on whom the penalty of compulsory retirement is imposed should ordinarily be granted the full invalid pension and Death-cum-Retirement Gratuity, if any, admissible on the date of compulsory retirement. Where, however, the circumstances of a particular case so warrant, the authority, competent to impose the penalty of compulsory retirement, may subject to the orders of the appellate or revising authority, make such reductions in the pensionary benefits within the limits prescribed, as it may think appropriate. A reduction may be made either in the Death-cum-Retirement Gratuity or in the Pension or in both. ²[The reduction to be made in the pension shall be in whole rupees only.]

3. Amended by No. FD 72 SRS 71, dated 23-9-1972.

[Note 2:- Provisional pension may be authorised immediately after Government servants are compulsorily retired under this rule, withholding, however, the D.C.R.G. till the final pension order is issued.]

219. (a) A Government servant cannot earn two pensions in the same office at the same time, or by the same continuous service.

(b) Two Government servants may not simultaneously count service in respect of the same office, except as provided for in ¹[Note 2 to Rule 226.]

²[219-A. (a) Service rendered by an employee belonging to one of the classes mentioned in Note 2 below, after attaining the age of 18 years, which is pensionable under the Military Rules but which terminates before a pension has been earned in respect of it, may at the discretion of Government, be allowed to count, when followed by service qualifying for pension under these rules as part of such service, provided that any bonus or gratuity received in lieu of pension on, or since, discharge from Military Service, shall be, refunded in such number of monthly instalments not normally exceeding 36 and beginning from such date, as in each case the Government may decide. Service so allowed to count shall, however, be restricted to service, within or outside the employees unit or department, in India, or elsewhere, which has been paid for from Indian Revenues or for which a pensionary contribution has been received by the Indian Revenues.

(b) Service pensionable under Military Rules which does not terminate before a pension has been earned in respect of it shall not be allowed to count for pension under these rules without the sanction of Government.

Note 1:- An officer, Ex-soldier or Ex-airman will not be brought under the operation of this Rule as a matter of course. Each case will be decided on its merits, e.g., there may be cases in which it may be open to a claimant for pension to add military service during the Great War to former non-pensionable service in the Army in order to claim the benefit of a Military pension. In such cases it may be to the advantage of the claimant that he should not be brought under the operation of this Rule. The bearing of paragraph 574 of the Pay and Allowance Regulations of the Army in, India, Part II, on the position of soldiers of the Indian Army who re-entered during the Great War deserves consideration in this connection.

2.Substituted by No.FD 60 SRS 63, dated 5.12.1963.

Note 2 :- This Rule applies to Indian Commissioned Officers, Non-Commissioned Officers and Men of the Indian Army and of the Frontier Constabulary and Militias and to Non-combatant departmental and Regimental employees and followers of the supplemental services. It also applies to Warrant and Non-commissioned officers and Men of the British Service and to Warrant Officers and departmental officers of Commissary and Assistant Surgeon classes.

Note 3:- To be eligible for concession in this Rule, the individual concerned should take his discharge from the Army or Royal Air Force within 12 months from the date of his confirmation in the appointment pensionable under these rules. This limit may in special cases, be relaxed by the Government.

Note 4:- Employees in the Military Police have the option of counting service under any other rules which would give them a similar or more liberal concession.

¹[Note 5:- xxx]

²[Note 6:- The pensionary liability in respect of Military Service (other than War-Service) devolves on the Defence Authorities. Any bonus or gratuity refunded under sub-rule (a) shall, therefore, be credited to the Defence Estimates.]

PART-IV
CHAPTER –XVI
CONDITIONS OF QUALIFYING SERVICE
SECTION 1 - DEFINITIONS OF QUALIFYING SERVICE

220. A Government servant's service does not qualify till he has completed eighteen years of age.

221. In cases other than those referred to in Rule 220, unless it be otherwise provided by special rule or contract, the service of every Government servant begins when he takes charge of the office to which he is first appointed.

222. The service of a Government servant does not qualify for pension unless it conforms to the following three conditions,-

First - The service must be under Government.

Second - The employment must be substantive and permanent.

Third - The service must be paid for by Government.

These three conditions are fully explained in the following sections.

¹[Note:- Service of Government Servants deputed to work under the Tungabhadra Board is deemed to be service qualifying for pension under this rule.]

²[Provided minimum qualifying service required for a Government servant for earning pension is ³[10 years]

⁴[Provided further that Government servants retired between 1.9.2003 and 8.9.2006 shall be eligible for notional fixation but not for any arrears upto 22nd October, 2007.]

1. Inserted by No. FD 69 SRS 62 dated 6-3-1968 (Deemed to have been always inserted).

2. Inserted by No.FD 12 SRA 2000,dated 3.2.2003 (wef 15.2.2003).

SECTION II - FIRST CONDITION

223. The service of a Government servant does not qualify unless he is appointed and his duties and pay are regulated by the Government, or under conditions determined by the Governor. The following are examples of persons excluded from pension by this rule:

- (1) Servants of a Municipality or a Local Board.
- (2) Servants of Grant-in-aid Schools and Institutions.

SECTION III – SECOND CONDITION

224. Service does not qualify unless the Government servant holds a substantive office on a permanent establishment but temporary service will count to the extent indicated in Rule 226.

¹[Note-1:- In the case of a Government servant retiring from service after 31st December, 1959, temporary and / or officiating service under the Government followed without interruption by confirmation in the same or another post, shall count in full as qualifying service provided he held a substantive appointment on a permanent establishment on the date of his retirement except in respect of :-

- (i) Periods of temporary or officiating service in non-pensionable establishments;
- (ii) Periods of service in work-charged establishment;
- (iii) Periods of service paid from contingencies.

The proviso that temporary and/ or officiating service, should be followed by confirmation may be relaxed by Government in Special cases where for valid reasons a Government servant is not confirmed before his retirement or death while in service.]

1. Inserted by FD 41SRS 60, dated 6.7.1960.

¹[Note - 2 xxx]

²[224-A. In respect of retirement or death while in service of Government Servants on or after 1st September, 1968, all service under Government whether temporary or permanent shall count.]

³[Explanation:-For the purpose of this rule "Temporary Service" means, the service rendered in any temporary post or as local candidate or service rendered on probation.]

⁴[224-B. **Request for counting of qualifying service pension**

(1) Notwithstanding anything contained in rules 219-A, 224-A, 235, 235-A, 235-B, ⁵[xxx] 248, 248-A, 248-AA, 252(b), 416, 417 every employee desires to have benefit of counting their previous service of additional years as qualifying service for pension, as the case may be under these rules shall make a request in writing to the appointing Authority within three years from the date of joining the Government service or ⁶[within 31st July 2014] as the case may be. No claim made after the above specified time limit shall be entertained by the appointing authority.

(2) The Appointing Authority in turn shall, with requisite records in support of the claim, obtain the approval of the Government before passing the appropriate order.]

225. An establishment, the duties of which are not continuous, but are limited to certain fixed periods in each year, is not a temporary establishment. Service in such an establishment including the period during which the establishment is not employed, qualifies; but the concession of counting as service the period during which the establishment is not employed, does not apply to a Government servant who was not on actual duty when the establishment was discharged, after

¹[226.xxx]

¹[227.xxx]

²[228.xxx]

229. If a Government servant on a permanent establishment is detached on temporary duty, on the understanding that, when the temporary duty ceases, he will return to the permanent establishment, he counts his detached service.

230. The preceding Rule permits the temporary suspension of the second condition of qualifying service which forms the subject of this Section; it does not authorize any relaxation of the first condition (which is the subject of Section II), or the third condition (which is the subject of Section IV) and in particular, must not be understood to countenance any modification of the rules applicable to a Government servant on Foreign Service.

231. A Government servant whose lien on his permanent appointment is suspended counts service in the quasi-permanent appointment he holds at that time for pension and his locum tenens counts service in the provisionally permanent appointment that he holds. The case of a Government servant on Foreign service is governed by rules relating to Foreign Service.

232. If the substantive office of a Government servant is abolished, but the Government servant is, at the time on special duty, or is, on abolition of his office, deputed on special duty, his service on special duty qualifies, but the duty must be special; mere employment in continuation of permanent employment, in a temporary appointment which happens at the time to be vacant, does not qualify.

¹[234-A. xxx]

235. Government may by general or special order permit service other than pensionable service, for performing which a Government servant is paid from the Consolidated Fund of the State or from a Local Fund, to be treated as, duty counting for pension. In issuing such an order, Government shall specify the method by which the amount of duty shall be calculated and may impose any condition which it thinks fit.

²[Note:- Wherever pensionable service under Government has been rendered in continuation of service in local authority or autonomous institutions receiving grants from State Government, the services rendered in such local authority or State autonomous institutions shall count as qualifying service for pension subject to the following conditions, namely:-

(i) While deciding the factor of continuity in service the break in service caused due performing of the journey from the place of duty immediately after his/her relief to the place of duty in Government may be condoned.]

³[(ii) Where the service rendered under the institutions referred to above is covered by the contributory Provident Fund Scheme and the Contribution of such institutions with interest has been drawn by the Government Servant, the amount so drawn shall be credited to Government with interest calculated at 3 per cent per annum for the period from the date of drawing of the Contribution to the date of credit to Government. In case the amount is credited after the retirement of the Government servant concerned, interest shall be calculated upto the date of retirement of the Government Servant.

interest accumulated in the Fund shall be credited to Government without calculating any further interest on the aggregate amount (of contribution and interest) as the amount would have been with Government.

(iv) Where the service rendered under the institutions referred to above is not covered by the Contributory Provident Fund Scheme, the Government Servant shall credit to Government Pension Contribution at 1/8th of the pay drawn by him from time to time under such institutions together with interest at 3 per cent per annum calculated on the aggregate of such contribution for the period from the date of his absorption in Government Service to the date of credit to Government. In case the amount is credited after the retirement of the Government Servant, the interest shall be payable for the period from the date of absorption of the Government servant to the date of his retirement.

Provided that the service to be counted as qualifying service ¹[under clause (ii),(iii) and (iv)] above shall be restricted to the period for which the Government servant was subscribing to the Contributory Provident Fund or for which pension contribution is received.

(v) The Controller, State Accounts Department, in the case of employees who had rendered service in Local Bodies and a responsible Departmental Officer in the case of employees who had rendered service in other institutions prior to their service in Government, shall certify the correctness of the amounts credited to the Government. ¹[Explanation:- For the purpose of this rule State Autonomous Institution means a body which is financed wholly or substantially from State Government grants. If, at the time of such transfer or absorption, the employee has put in less than ten years of qualifying service, he is not entitled to pension and therefore the question of proportionate pension will not arise. (ii) The amount of pension/ gratuity and the Death-cum-Retirement Gratuity shall be worked out and intimated to the employee as well as to the said organizations as and when he is so transferred or absorbed.

(iv) Resignation from the service of the said organization will, for the purpose of these rules, be treated as resignation from Government Service, entailing forfeiture of the earlier service under Government and the loss of the pensionary benefits under these rules.

(v) Any further liberalization of pension rules decided upon by Government with effect from a date after the permanent absorption of the employee in the said organizations will not be extended to him.

(vi) Where an employee receives pension under clause (iii) above, and wishes to commute a portion of the pension, such commutation will be regulated in accordance with the rules in force at the time of such commutation.

(vii) In respect of the deputationist Government employee who opts for absorption in any of the said organizations such organization should take over the liability in regard to leave on average pay or earned leave that the Officer has to his credit at the time of leaving Government service and, in return, the Government shall pay to the said organization a lumpsum equal to leave salary for the leave on average pay/earned leave due to the Government employee on the date of his permanent absorption in the said organization.

(viii) The conditions mentioned in this rule will apply only where the permanent transfer from Government service to or absorption in the said organization is in public interest. In all other cases, Government will not accept the liability to pay any retirement benefits for the period of service rendered by the employee before his transfer.

(ix) If a Government Servant permanently absorbed in the said organization is continued in service or re-employed after the date mentioned in condition (iii) above, his pay shall be refixed as re-employed pensioner with effect from the date from which he becomes entitled to draw the Pro-rata retirement benefits.

(x) The parent Department of the Government servant shall be consulted before the issue of the order of absorption

(xi) It is not necessary to tender formal resignation in cases where it is declared by Government that the absorption of the employee is in public interest and the employee in turn gives his consent to such absorption.

¹[(xii)(a) The family of the Government servant, who has been permanently absorbed in the said organization shall also be eligible for family pension from the date following the date of death of the employee in addition to the benefit of family pension, if any, admissible under the rules of the organization:

Provided that, the benefit under this rule is also available to the eligible past cases of death while in service or after retirement, where the family pension has been settled as per the then existing rules. However, the financial benefits in past cases will be eligible with effect from the first of the month following the date of publication of this rules in the Official Gazette.]

(b) The benefit of Family Pension will be admissible only to the families of those who were/are actually entitled to pension from the Government after their absorption in the said organization. This benefit will not be admissible to the families of those who get only the service gratuity, i.e., who are absorbed before rendering ten years of qualifying service under the Government.

(i) A permanent State Government Employee borne on pensionable establishment on absorption under Central Autonomous Institution will be eligible for Pro-rata retirement benefits in accordance with the provisions of the Karnataka Civil Service Rules, existing at the time of absorption.

¹[The family of the Government servant, who has been permanently absorbed in the said organisation shall also be eligible for family pension from the date following the date of death of the employee, in addition to the benefit of family pension, if any, admissible under the rules of the Organisation. The benefit of family pension shall be admissible only to the families of those who are actually entitled to pension from the Government after their absorption in the said organisation. The benefit shall not be admissible to the families of those who get only the service gratuity i.e., who are absorbed before rendering ten years of qualifying service under the Government.

Provided that the benefit under this rule is also available to the eligible past cases of death while in service or after retirement, where the family pension has been settled as per the then existing rules. However, the financial benefits in past cases shall be eligible with effect from the first of the month following the date of publication of this rules in the Official Gazette.]

(ii) An employee of a Central Autonomous Institution on permanent absorption under the State Government will have the option either to receive Contributory Provident Fund

benefits which have accrued to him from the Autonomous Institution and start his service afresh in Government or choose to count service rendered in that Institution as qualifying service for pension in Government by foregoing employer's share of Contributory Provident Fund contributions with interest thereon, which will be paid to the concerned Government Department by the Autonomous Institution. The Option shall be exercised within one year from the date of absorption. If no option is exercised within stipulated period employee shall be deemed to have opted (to receive Contributory Provident Fund benefits. The Option once exercised shall be final.

(2) The above procedure will be followed Mutatis Mutandis in respect of employees going from State Government to Central Autonomous Institution and vice versa.

Note:- "Central Autonomous Institution" means an Institution which is financed wholly or substantially from cess or Central Government Grants. "Substantially" means that more than fifty percent of the expenditure of the Autonomous Institution is met through cess or Central Government Grants. Autonomous Institution includes a Central Statutory Institution or a Central University but does not include a public undertaking.

(3) Only such service which qualifies for pension under the relevant rules of Government/ Autonomous Institution shall be taken into account for this purpose

(4) The employees of a Central Autonomous Institution or State Government as the case may be who have already been sanctioned or have received Pro-rata retirement benefits or other terminal benefits for their past service will have the option either:-

(a) to retain such benefits and in that event their past service will not qualify for pension under the Central Autonomous Institution or the State Government, as the case may be; or

(b) to have the past service counted as qualifying service for pension under the new Organization in which case the Pro-rata retirement or other terminal benefits, if already received by them, will have to be deposited along with interest

thereon from the date of receipt of those benefits till the date of deposit with the Central Autonomous Institution or the State Government as the case may be. The right to count previous service as qualifying service shall not revive until the whole amount has been refunded. In other cases, where Pro-rata retirement benefits have already been sanctioned but have not yet become payable, the concerned authorities shall cancel the sanction as soon as the individual concerned opts for counting of his previous service for pension and inform the individual in writing about accepting his option and cancellation of the sanction. The option shall be exercised within a period of one year from the date of issue of those orders. If no option is exercised by such employees within the prescribed time limits, they will be deemed to have opted for retention of the benefits already received by them. The option once exercised shall be final.

(5) Where no terminal benefits for the previous service have been received, the previous service in such cases will be counted as qualifying service for pension only, if the previous employer accepts pension liability for the service in accordance with the principles laid down in these rules. In no case pension contribution liability shall be accepted from employee concerned.

(6) These rules will be applicable only where the transfer of the employee from one Organization to another was/ is with the consent of the Organization under which he was serving earlier, including cases where the individual had secured employment directly on his own volition provided he has applied through proper channel/ with proper permission of the administrative authority concerned.

(7) These rules do not provide for counting of combined service in the case of mobility of personnel from Reserve Bank of India and Nationalized Banks as well as other financial Institutions including Life Insurance Corporation of India / General Insurance Corporation to State Government and Vice-versa for the purpose of pensionary benefits.

(8) These rules will be effective from seventh day of February 1986 and will apply to the employees who were in service on that date, irrespective of the date of their absorption.]

SECTION IV - THIRD CONDITION Sources of Remuneration

236. Service which satisfies the conditions prescribed in Sections II and III qualifies or does not qualify, according to the source from which it is paid; with reference to this Rule, service is classified as follows:-

(a) paid from the Consolidated Fund of the State.

(b) paid from Local or other Funds specified by Government from time to time.

(c) paid from funds in respect to which Government holds the position of trustee.

(d) paid by fees levied by law, or under the authority of Government or by commission.

(e) paid by the grant, in accordance with Law or Custom, of a tenure in land, or any source of income, or right to collect money.

237. Service paid from the Consolidated Fund of the State qualifies. The fact that arrangements are made for the recovery, on the part of Government, of the whole, or part, of the cost of an establishment or Government servant does not affect the operation of this principle:

Provided that the establishment or Government servant is appointed, controlled and paid by Government.

Note 1:- In making arrangements for the recovery of cost of establishments, it should not be forgotten that Government has to bear not only the immediate cost but also that of leave allowances and pensions.

Note 2:- The amount to be recovered from the person for whose benefit an additional establishment is created shall be the gross sanctioned cost of the service which will not vary with the actual expenditure of each month. Dearness and

High Price Allowances shall also form part of the gross sanctioned cost of the establishment and the whole expenditure on account of these allowances shall be recovered for periods of leave also.

Example:- When Police Officers are entertained at the cost of individuals and corporate bodies, an additional charge of one-fourth of the pay of officers must be defrayed by the persons for whose benefit the officers are employed:

Provided always that this additional charge shall not be made when such officers do not belong to the regular Police, but are only, temporarily engaged their service not counting for pension.

¹[Note 3 :- In the case of Government servants deputed to Commercial Departments, Government Commercial Undertakings or to the Offices of the Boards of Management for Industrial concerns, contribution for their pension and leave allowances shall be recovered at 1/4th of the total emoluments drawn by them in such Commercial Departments, Commercial Undertakings or Offices.]

Exception:- Shanbhogs, Patels and other Village Servants are not entitled to pension although they are paid from the Consolidated Fund of the State.

238. Service paid from funds which Government holds only as a trustee, such as under a Court of Wards or in an attached Estate does not qualify.

Note:- Service paid from the Muzari Establishment Fund qualifies.

239. (a) Service in an office paid only by fees whether levied by a law or under the authority of Government or by a Commission, does not qualify.

(b) Service in an office paid by fees or by commission, in addition to pay from the Consolidated Fund of the State qualifies.

240. Service paid by the grant, in accordance with law or custom, of a tenure in land, or of any other source of income or right to collect money does not qualify.

241. When part of the pensionable service of a Government servant qualifies for pension from the Consolidated Fund of the State and part from Local Funds, his pension is paid and charged according to the Rule of Proportion; it is not admissible to disregard the pensionable Local Funds service and award a pension only for the service paid from the Consolidated Fund of the State: provides that if, under this Rule, less than one-tenth of the pension would be payable from either source, no distribution shall be made; in such cases, the other source shall bear the whole charge.

Note:- In respect of Government servants whose services are lent temporarily to the Local Bodies, e.g., Executive and Assessing Officers, P.W.D., staff of the Engineering Establishment working under the District Boards, etc., and in whose cases Government specifically direct that contributions for pension should be recovered from the Local Bodies instead of debiting the pensionary charges according to the Rule of proportions, the rates of contribution prescribed for Foreign Service shall apply.

¹[**241-A.** The pension payable to a Government servant who has rendered service partly in the Palace and partly under the Government shall be regulated as follows:-

(i) in the case of Government servants who retired prior to 1st April 1962, the incidence of pension shall be regulated according to the Rule of Proportions.

(ii) in the case of Government servants retiring from service on or after 1st April 1962, pension contribution shall be recovered in respect of the Palace service at the rates prescribed for foreign service.]

242. Rule 241 will apply only to cases in which the whole pay of the Government servant at any time is charged to a single fund. The pensionary charges of Government servants whose

pay is met in shares from more than one source, viz., District Funds, Municipal Funds, or Consolidated Fund of the State or by more than one Municipality in shares, shall, in respect of such period of service be borne entirely by General Revenues, ¹[a contribution of one-eighth] of so much of the salaries of such Government servants as is paid by District or Municipal Funds being recovered and credited annually to Government during that period.

- 243.** The administrators of a Municipality or a Local Fund including the Kolar Gold Fields Sanitary Board may, at their option, with the permission of Government, make a permanent arrangement for contributing for pensions from the Consolidated Fund of the State for its permanent employees or for any specified classes of them, by paying to Government ¹[a contribution of one-eighth of the sanctioned salaries of the several appointments] : provided that in the bills in which the establishment charges are drawn from the treasury, the contribution is added to the establishment bill and paid from the funds of the Municipality or Local Board concerned by transfer credit to the Consolidated Fund of State at the time the establishment bill is cashed. Any default in the payment of the contribution entails forfeiture of the claim against Government. Arrears contributions in respect of either individual Government servants or classes of Government servants proposed with a view to render past service qualifying will not be accepted. When an arrangement of this kind is made, the provision of Rule 241 will not apply to such appointments.

Note 1:- The arrangement contemplated in this Rule will apply in respect of all Municipalities and Local Bodies.

Note 2:- If a Government Servant whose service is reckoned as pensionable under this Rule is transferred to a similar pensionable establishment of another Municipality or Local Fund or to qualifying service under the State Government or vice versa, the transfer will not interrupt the continuity of the service for pension.

Note 3:-¹[The contribution of one-eighth] will be taken as covering the payment of Death-cum-Retirement Gratuity under these Rules and Compassionate Gratuity under old rules.

Note 4:- Since the contribution is fixed on the basis of details given in the Establishment Returns received from the Local Bodies, the amount recoverable will be communicated by the Audit Office to the Treasury Officer with whom the Local Body has its accounts and he will be asked to effect the necessary adjustments every month at the rate of one-twelfth of the yearly contribution recoverable. If the Establishment Returns are not received promptly from the Local Bodies, the Audit Office will issue instructions for the adjustment of the contribution at the rates for the previous year necessary adjustments being made later to collect the arrears or to refund the excess amount collected as soon as the Establishment Returns are received and the revised rate of contribution fixed.

²[Contributions need not be recovered in respect of appointments kept substantively vacant for not less than a year. In such cases, where the pension contributions have already been recovered the excess, if any, may be adjusted against the pension contributions due for the subsequent periods.]

³[Note 5 :- The arrangement contemplated in this rule will apply also to the employees of the Mysore University.]

⁴[Note 6 :- The contribution paid under this Rule shall be rounded off to the nearest rupee, fractions equal to fifty paise or more being rounded off to the next higher rupee.]

PART-IV
CHAPTER- XVIII
CONDITIONS OF GRANT OF PENSION
SECTION 1- CLASSIFICATION OF PENSIONS

258. Pensions are divided into four classes, the rules for which are prescribed in the following Section of this Chapter:-

- (a) Compensation Pensions-see Section-II
- (b) Invalid Pensions – see Section –III.
- (c) Superannuation Pension – see Section-IV.
- (d) Retiring Pensions-see Section V.

SECTION II-COMPENSATION PENSION

259. If a Government servant is selected for discharge owing to the abolition of a permanent post, he shall, unless he is appointed to another post the conditions of which are deemed by authority competent to discharge him to be at least equal to those of his own, have the option:-

(a) of taking any compensation pension or gratuity to which he may be entitled for the service he has already rendered , or

(b) of accepting another appointment or transfer to another establishment even on a lower pay, if offered, and continuing to count his previous service for pension.

Note-1:- A Compensation pension is designed to mitigate hardships caused by loss of office; and a working man who refuses to accept suitable employment even accompanied with some temporary loss of pay clearly does not need compensation.

Note-2:- When a Government servant not holding a substantive post is retrenched owing to reduction of establishment shall, on reappointment, be entitled to count the former service for leave and pension, the break in service, if any, being treated as having been condoned to the extent admissible under the rules.

- 260.** To pension a Government servant still capable of useful service is a waste of public money; before a pension is granted to such a Government servant discharged on abolition of appointment it must be carefully considered whether he cannot be otherwise provided for. The Head of a department, in forwarding an application for Compensation pension, should invariably state for what reasons it has been found impossible to provide suitable employment for the applicant.
- 261.** Whenever, upon the reduction of an establishment, it is necessary to discharge one or more members thereof, the selection of the Government servants to be discharged should, prima facie be so made that the least charge for Compensation Pension will be incurred.
- 262.** The discharge of one Government Servant to make room for another better qualified is not abolition of an appointment within the meaning of Rule 259; the abolition must produce a real saving to Government. Particulars of the saving effected should be fully set forth in every application for compensation pension. The saving should always exceed the cost of the pension; otherwise it may perhaps be better to postpone the reduction of establishment or abolition of appointment.
- 263.** A Gazetted Government servant who belongs to the Public Service, apart from his particular local appointment, e.g., a Munsiff, Magistrate, or Amildar cannot obtain a Compensation pension on the abolition of particular appointment.
- 264.** No Pension is admissible to a Government servant for the loss of an appointment on discharge after the completion of a specified term service.
- 265.** No Pension may be awarded for the loss of a local or duty allowance ¹[or special allowance]

1. Substituted by No.FD 7 SRA 99, dated 29.4.2000(wef 1.4.1998).

- 266.** If it is necessary to discharge a Government servant in consequence of a change in the nature of the duties of his office, the case should be referred to Government.
- 267.** If of two appointments held by one Government servant one is abolished and the other retained, and it is desired to give him an immediate pension in respect of the abolished post, the case should be specially submitted to Government.
- 268.** Reasonable notice should be given to a Government servant in permanent employ before his service are dispensed with on the abolition of his office. If in any case such notice is not given at least three months before dispensing with the Government servant's Services, and he shall not have been provided with some other employment on the date on which his services are dispensed with, then with the sanction of Government, a gratuity not exceeding his emoluments for the period by which the notice actually given to him falls short of three months, shall be paid to him in addition to the pension to which he may be entitled under Rule 259; but the pension shall not be payable for the period in respect of which he receives a gratuity in lieu of notice.

Note-1:- The gratuity prescribed in this Rule is not granted as compensation for loss of employment, but only in lieu of notice of discharge with a view to mitigate the hardship caused to a Government servant by the sudden loss of employment. When, therefore, a Government servant discharged without notice is provided with some other employment on the date on which his services are dispensed with, whether that employment be in qualifying or non qualifying service, he is not entitled to any gratuity.

Note-2:- Unless it contains an express statement to the contrary an order for the abolition of an office or appointment shall not be brought into operation till the expiry of three months

after notice has been given to the Government servant, whose services are to be dispensed with on such abolition. The immediate Head of the Office or of the department will be held responsible that there is no unnecessary delay in giving such notice. In the case of a Government servant on leave the order shall not be brought into operation until the leave expires.

Note-3:-‘Emoluments’ in this rule means the emoluments or leave allowances (or partly the one, partly the other) which the Government servant would be receiving during the period in question had the notice not been given to him.

269. A Government servant discharged with a Compensation pension may not without surrendering his pension refuse to accept any appointment which Government thinks fit, within six months from the date of his discharge, to offer to him. The Salary of such new appointment must not, however, be less than that necessary to raise his total receipt, to the amount which he received as salary immediately before his discharge, or should the new appointment be such as the Government servant cannot reasonably and equitably be expected to accept.

270. The rule requiring the refund of a compensation gratuity on re-employment applies to a gratuity awarded under Rule 268, if the Government servant is permanently re-employed within three months from the date of notice. But the Government servant need not refund that proportion of his gratuity under this rule which the interval of his non-employment bears to the whole period for which the gratuity is given. If the Government servant is re-employed only temporarily, he need refund no part of his gratuity, but if such temporary employment is foreseen, the gratuity should be proportionately reduced.

271. Rule 269 applies also to the case of a Government servant entitled to Compensation pension who, upon the abolition of his own appointment, is transferred by competent authority to another appointment. To such a Government servant a Compensation Pension may be simultaneously awarded, subject always to the limitation prescribed by Rule 309.

- 272.** If a Government servant who is entitled to Compensation Pension accepts instead another appointment in the Public Service, and subsequently becomes again entitled to receive a pension of any class, the amount of such pension shall not be less than what he could have claimed if he had not accepted the appointment.

SECTION III – INVALID PENSION

- 273.** An invalid pension is awarded, on his retirement from the Public Service, to a Government servant who by bodily or mental infirmity is permanently incapacitated:-

- (i) for the Public Service, or
- (ii) for the particular branch of it to which he belongs.

Note-1:- A Government servant discharged on other grounds has no claim under the above Rule even though he can produce medical evidence of incapacity for service.

Note-2:- Rule 260 applies, mutatis mutandis, in the case of a Government servant invalidated under clause (ii) of the above Rule as unfit for employment only in some particular branch of the Public Service. Every effort should be made to find for such a Government servant other employment suited to his particular capacity.

Note-3:- If the incapacity is the result of irregular or intemperate habits, no pension can be granted. Otherwise, it is for Government to decide whether the Government servant's incapacity is such as to render it necessary to admit him to Invalid Pension.

¹[Exception-1:- Heads of Departments may order the retirement on Invalid Pension of all Non-gazetted Government servants appointed by them or by a lower authority, who by bodily or mental infirmity are permanently incapacitated for Public Service. Cases of incapacity for the particular branch of Public Service to which a Government servant belongs, vide clause (ii) *ibid*, shall be decided by Government.]

¹[Exception-2:- The Superintendents of Police may order the retirement on invalid Pension of Head Constables and Police Constable under them, who by bodily or mental infirmity are permanently incapacitated for the Public Service. Cases of incapacity for further service in the Police Department shall invariably be referred to Government for a decision.]

274. If a Government servant applies, while on leave of any kind taken on account of illness, for retirement on the ground of incapacity for further service and dies before producing the Certificate prescribed in this section, to support his request for retirement, his case will be dealt with as if he had produced such certificate, provided the Head of the Office certifies that he has no reason to believe that the applicant's illness or death was due to irregular or intemperate habits.

275. If a Government servant applying for an invalid Pension is fifty-five years old or upwards no certificate by a Medical Officer is necessary; it suffices for the Head of the Office to certify to the incapacity of the applicant. Otherwise, incapacity for service must be established by a Medical certificate attested by a Medical Officer not below the rank of an Assistant Surgeon, Grade-1, or in the case of persons suffering from mental diseases by a certificate granted by the Superintendent, Mental Hospital, Bangalore.

(a) If the pension applied for exceeds ²[Rs.8200 a month,] a certificate by a single Medical Officer should not be accepted as sufficient, if it is possible without undue inconvenience, to cause the applicant to appear before the ³[Medical Board.].

(b) In no case shall a medical certificate of incapacity for service be granted unless the applicant produces a letter from the Head of his Office or his Department, to show that the latter is aware of his intention to appear before the Medical Officer.

Note-1:- Where the Head of an Office is himself a District Medical Officer, the invalidating certificate should be supported by a medical certificate from a Second Medical Officer of similar status nearest to his station.

1. Inserted by No.FD 130 SRS 60, dated 26.12.1960(wef 5.1.1961

2. Amended by No. FD 01 SRA 2016, dated 20.03.2017

3. Substituted by No. FD 20 SRS 70, dated 4.11.1971

Note-2:- In the case of a female applicant, the medical certificate of incapacity for service may be granted by Lady Assistant Surgeons in the case of Non-Gazetted women employees and by Lady Surgeons in the case of Gazetted women employees.

Note-3:- In case of retirement due to diseases of the eye, medical certificates granted by ¹[a Doctor with post – graduate qualification of DOMS or MS (Oph)in a Government Hospital,] may be accepted without countersignature of ²[Medical Board.]

276. (a) A succinct statement of medical case, and of the treatment adopted, should, if possible, be appended.

(b) If the Examining Medical Officer, although unable to discover any specific disease in the Government servant, considers him incapacitated for further service by general debility while still under the age of fifty-five years, he should give detailed reasons for his opinion, and if possible a second medical opinion should always in such a case be obtained.

(c) In a case of this kind, special explanation will be expected, from the Head of the Office or Department, of the grounds on which it is proposed to invalid the Government servant.

277. A simple certificate that inefficiency is due to old age or natural decay from advancing years, is not sufficient in the case of a Government Servant whose recorded age is less than fifty-five years, but a Medical Officer is at liberty, when certifying that the Government servant is incapacitated for further service by general debility, to state his reasons for believing the age to be understated.

¹[(a) The form of the Medical Certificate to be given respecting a Government servant applying for pension shall be in the following form:-

²[Certified that I/We have carefully examined A.B. son of C.D.....in the His age is by his own statementyears, and by appearance about..... years. I/We consider A.B. to be completely and permanently incapacitated(1) for further service of any kind, or (ii) for further service in the Department to which he belongs,(retain clause(i) or (ii) as the case maybe,) in consequence of.....(here state disease or cause). His incapacity does not appear to me/us to have been caused by irregular or intemperate habits.]

Note- If the incapacity is the result of irregular or intemperate habits the following will be substituted for the last sentence:

is directly

‘In my/our opinion his incapacity
has been accelerated or
due to
.....irregular or intemperate habits.
Aggravated by

(if the incapacity does not appear to be complete and permanent, the certificate should be modified accordingly and the following addition should be made)

I am /We are of opinion that A.B.is fit for further service of a less laborious character than that which he has been doing or may after resting formonths be fit for further service of a less laborious character than that which he has been doing’].

(b) The object of the second alternative certificate of partial incapacity is that a Government servant should, if possible, be employed even on lower pay so that the expense of pensioning him may be avoided. If there be no means of employing him even on lower pay, then he may be admitted to pension, but it should be considered whether in view of his capacity for partially earning living, it is necessary to grant him the full pension admissible under the rules. The principle of Rule 260 must always be carefully borne in mind.

2.Amended by No.FD 47 SRS 69, dated 10.7.1969.

- 279.** Superintendents and Assistant Superintendents of Police should be on their guard against endeavour's to retire on invalid pension by officers who are capable of serving longer.
- 280.** Medical Officers should ¹[confine] themselves to recommending leave to such policemen as are not likely to benefit by further stay in hospital, and should not certify that a policeman is incapacitated for further service unless they are officially requested to report upon his incapacity for further service.
- 281.** Medical Officers should be specially searching in their examination of the physical unfitness of every applicant for pension and whenever the number of applicants for pensions is large the examination should, if possible, be conducted by two Medical Officers.
- 282.** A Government servant who has submitted under Rule 275, a Medical Certificate of incapacity for further service must not (except for special reasons to be reported to Government) be retained in service pending a decision on his application for pension but he may be given leave at credit for a period not exceeding six months and permitted to retire at the end of that period.
- ²[Note- When a Government Servant after submitting a medical certificate of invalidment, is retained in service for a certain period under the provisions of this Rule and thereafter granted leave, the period of such retention in service together with that of such leave should not exceed six months from the date of report of the medical authority.]

- 286. A Government servant holding two or more separate appointments may not, save with the express sanction of Government, resign one or more of such appointments on a pension, without retiring from the Public Service altogether. There is no objection to his being relieved from one or more of such appointments at any time without being compelled to leave the service altogether but in such a case, any pension admissible to him for service in the offices from which he is relieved will be deferred until he finally retires.**

Instructions: It has been represented to Government by some of the Officers who have been appointed on contract basis, that the Accountant-General is not authorising them to draw Dearness Allowance at the admissible rates because the terms of contract do not provide for the payment of any Dearness Allowance in certain cases. It is the intention of the Government that the Dearness Allowance at the rates admissible from time to time to regular Government servants may be allowed also to officers re-employed on contract basis. Government therefore, direct that in all such cases, whether or not the terms of contract specifically provide for the payment of Dearness and other Compensatory Allowances the same may be allowed at the rates sanctioned to Government Servants from time to time, to the contract officers in addition to the pay fixed in the terms of contract. 314. A pensioner of any class may, with the sanction of Government be employed without loss of pension provided that the employment is bona fide temporary, lasting for not more than a year.

315. Note - The pension equivalent in these cases will be calculated on the basis of the age of the officer on the date of final retirement from service. 322.

All authorities dealing with applications for pensions under these Rules should bear in mind that delay in the pay- ment of pensions involves particular hardship. It is essential to ensure, therefore, that a Government servant begins to receive his pension on the date on which it becomes due.

Note.- There are cases in which certain sums are due to Government from a Government servant at the time of his retirement, e.g., over issue of pay, allowances or leave salary, or admitted or obvious dues such as house rent, life insurance premia, outstanding balance of various advances, etc. These sums cannot be recovered from the pension of a Government servant without his consent. Authorities sanctioning pension should therefore ensure that these outstanding sums are brought to the notice of the Government servant concerned with the least possible delay, and that he is requested to pay up the dues before formally sanctioning the final pension. It is emphasised that, while these recoveries should be made before the pension is finally sanctioned, care should be exercised to ensure that there is no avoidable delay either in informing the Government servant concerned of the total amount due by him to Government or in sanctioning the final pension after this amount has been recovered.

323.

Every Officer competent to sanction pension should obtain in ¹[May and November each year,] from the subordinate officer. A list of Government servants under him due to retire within two years (which can easily be complied from the annual return of establishment, in the case of Non-Gazetted servants and from the Civil list in the case of Gazetted servants], and specially watch that pension papers are forwarded to the Audit Office in all these cases in advance as prescribed by obtaining a report about them from their subordinates, month after month, and by insisting on any undue delay being satisfactorily explained. ²[District Officers of the Department shall ensure the prompt settlement of pension claims in the subordinate offices under their jurisdiction. For this purpose, when the pension records are forwarded by the Head of the Office to the Accountant General a copy of the forwarding letter shall be endorsed to the District Officer also under their jurisdiction to enable him to make suitable entries in the watch Register maintained by him. The Accountant General will also endorse a copy of the letter authorising pensionary benefits to the concerned District Officer to enable him to complete the entries in the Watch Register maintained by him. ¹[Note :- The list of retiring Government servants shall be sent to Government in the Finance Department and to the Audit Office as prescribed in sub-rule (2) of rule 96.]

²[323-A. The Audit Officer shall send to every Gazetted Officer a copy of Rules 321, 325 and 327 one year in advance of the date on which the Officer attains his age of superannuation, or as soon as possible before the date from which he has formally sought permission to retire, if earlier, with the remark that there is likely to be delay in the commencement of his pension if he does not submit a formal application as soon as the rules permit.]

324. Every officer competent to sanction pension should hold responsible one of his assistants for seeing the pension cases pending in the several offices under his control are disposed of promptly and got finally settled with the least possible delay.

325. Questions affecting the pension or pensionable service of a Government servant which for their decision depend on circumstances known at the time shall be considered as soon as they arise.

Any question which for its decision depends on possible circumstances that may arise in future or on hypothetical conditions may be raised, discussed as soon as the permissible period for submission of formal application for pension under Rule 321 begins.

326. The application of a Non - Gazetted Government servant shall be submitted to the authority competent to sanction his pension. If such authority is not the Head of the office in which the applicant is serving, the application shall be submitted through such Head, who shall attach to it the applicant's service book or service roll, as the case may be.

(14) Where a retired Government Servant has commuted a portion of pension the portion of his commuted pension shall be restored to him from the first day of month following the expiry of a period of fifteen years from the date of commutation.

The lumpsum payable on commutation to the Government Servant who has served under more than one Government when the commutation tables applied by the different Government are not identical shall be calculated according to the commutation table of the Government under whose rule making control they are at the time of retirement. Note :- No uniform rule can be laid down regarding the language in which Service Books should be written. But in an office the Head of which is acquainted with English, that language should, as far as is convenient, be used.

1. Inserted by No. FD 40 SRS 70 dated 29-4-1971.

- 398.** Every step in a Government servant's official life (including temporary and officiating promotions of all kinds, the date on which the period of probation is satisfactorily completed, increments and transfers and leave of absence taken) should be regularly and concurrently recorded in the Service Book, each entry being duly verified with reference to departmental orders, pay bills and leave statements and attested by the Head of the Office. If the Government servant is himself the Head of an Office, the attestation should be made by his immediate superior. If the Head of the office has a gazetted assistant, he may delegate the duty of attesting the entries to such an assistant. There should be no erasure or overwriting and all corrections should be neatly made and properly attested. Any special test or examination passed by the Government servant should be entered in the Service Book together with a reference to the number and date of the Notification directing the publication of the names of the successful candidates in that test, and the part and date of the Gazette in which the Notification was published. The Head of the office should invariably give necessary particulars of pensionable service with a view to enable the Audit Office to decide later on by reference (merely to such particulars whether the temporary or officiating service will qualify for pension or not ; for example, in the case of officiating service, the nature of the vacancy in which the Government servant officiated and in the case of temporary service, whether the temporary post was subsequently made permanent and the period for which the post has been continued should be stated. As soon as a temporary post has become permanent, action should be taken to determine the Officer/Officers who would count the temporary service rendered in any post for pension under the Pension Rules.

Similarly, in the case of temporary service or service in an officiating capacity, it should be verified, as soon as an Officer has become permanent what portion of his temporary and officiating service would count for pension under the Pension Rules. In all such cases a note should simultaneously be recorded in the Service Book of the Government Servant concerned over the signature of the Audit Officer indicating the period or periods which would count for pension under the Pension Rules. The Head of the Office should initiate action in this matter and should finalise it in consultation with the Audit Officer.

¹[Note:- Whenever the certificate mentioned in ²[Note 1 to clause (b)] of Rule 53 is issued by the competent Administrative Authority, a very concise entry such as “certificate under ²[Note 1 to Rule 53 (b)] of the Karnataka Civil Services Rules, issued for the period from..... to.....should also be recorded after the entry regarding leave, in the Service Book.]

399. Personal certificates of character should not, unless it is so directed by Government, be entered in the Service Book.

400. When a Government Servant is reduced to a lower post, dismissed or removed from service or suspended from employment or subjected to any other penalty, the reason for the reduction, dismissal, removal or suspension or other penalty, as the case may be, should always be briefly stated thus:-

“Reduced for inefficiency”, “Reduced owing to revision of establishment, etc.” The Head of the Office should make efficient arrangements for these entries being made with regularity. The duty should not be left to the non-gazetted Government servant concerned.

Copies of all orders regarding reduction, dismissal, removal, suspension or other penalty should be filed with the Service Book.

³[Note:- An entry regarding “censure” would not be necessary in the Service Book, but such entry should be recorded in the Confidential Rolls.]

- 402.** Non-Pensionable service should be distinctly shown as such in column 2 of the Service Book. When an officer is transferred from an aided educational institution to Government Educational Institution, the total service in the Aided Institution and the portion of the service, if any, that will be allowed to count for pension should be ascertained and recorded in the Service Book at the time of appointment to Government service.
- 403.** The entries in the leave accounts should be attested by the Head of the office.

- ¹[407.** It shall be the duty of every Head of Office to initiate action to show the service books to the Government Servants under his administrative control every year and to obtain their signatures therein in token of their having inspected the service books. A certificate to the effect that

he has done so in respect of the preceding financial year should be submitted by him to his next Superior Officer by the end of every September. The Government servants shall inter alia ensure before affixing their signatures, that their services have been duly verified and certified as such. ¹[Note:- In cases where transfer also involves permanent transfer of the Government servant from the audit control of one Audit Officer to that of another, the qualifying service for purposes of pension rendered up to the date of the transfer, should be got verified and a certificate to that effect recorded in the service book by the audit officer concerned before the service book is forwarded to the office where the services of the Government servant are transferred.]

The Non-Gazetted service of a permanent Gazetted Officer should similarly be verified and certified by the concerned Audit Officer before his service book is forwarded to the Accountant General concerned.]

¹[In the case of temporary/officiating Government servants who are permanently transferred from the audit control of one audit officer to that of another the temporary/officiating service rendered up to the time of last permanent transfer of audit control, should be got verified and certified by the audit officer(s) concerned, soon after confirmation of the Government servant in a permanent post. Action in this regard should be initiated by the head of the office in which the Government servant is working at the time when the confirmation orders are issued.]

²[409.

When a Non-Gazetted Government servant is transferred to Foreign Service the Head of the office or Department should send his Service Book to the Audit Officer who will return it after noting therein, under his signature, the orders sanctioning the transfer to Foreign Service and those of retransfer there from and other particulars connected thereto. On the Officer's proceeding on leave from Foreign Service, the Head of office or Department should make entries under his signature in the Service Book in that regard and get the same attested by the Audit Officer in token of verification of these entries as and when the Service Book is sent to Audit Office for making entries in respect of other matters such as transfer to and retransfer from Foreign Service etc.

¹[Note:- xxx]

(2) When the service of a Government servant is terminated by removal or dismissal, his Service Book should be retained for a period of five years or until the Government servant's death, whichever is earlier, after which it will be destroyed. A similar procedure should be followed in the case of a Government servant whose probation is terminated. The Head of the office in which he was last employed should retain the Service Book in such cases.

(3) When the service of a Government servant is terminated by resignation or discharge without fault and no pension is given to him, his Service Book should be retained for a period of five years from the date of his resignation or discharge. In the event of his death within the period of five years, the Service Book should be retained for a period of six months only from the date of his death.

MISCELLANEOUS

- 444.** Foreign Service is of two kinds. viz.,
- First.-The service of a Government servant transferred to service under an employer who is not under the orders of Government and is allowed while in such service to maintain his claim to pension or to leave and pension in the same way as if he were still in the service of Government.
- Example:- Government servants lent to other Governments, a Municipality, a District Board or other Local Fund.
- Second:- The service of a Government servant employed in connection with the management by Government of estates or funds which they have taken under their control or received in trust, and paid from the revenues of such estates or from such funds. The service must be strictly connected with the management by Government and appointments existing apart from or continuing after relinquishment of Government control can be made only under the conditions of foreign service of the first kind.

490. The following are the different kinds of travelling allowances which may be drawn in different or special circumstances by Government servants.

- (a) Permanent Travelling Allowance,
- (b) Conveyance Allowance,
- (c) The actual cost of travelling,
- (d) Daily Allowance.
- (e) Mileage Allowance.

¹[Note 1:— xxx]

¹[Note 2:— xxx]

491. A permanent monthly Travelling Allowance may be granted by Government to any Government servant whose duties require him to travel extensively. Such an allowance is granted in lieu of all other forms of Travelling Allowance for journeys within the Government servant's sphere of duty, and is drawn all the year round, whether the Government servant is absent from his Headquarters or not.

Note 1:- Officers in receipt of permanent monthly Travelling Allowance should deduct from the amount drawn each month, the value of the fares for any railway journeys for which they have used a free pass during the month.

days of deficiency, and also deduct proportionate permanent Travelling Allowance every quarter in respect of the deficiency in touring or night halts. They shall also furnish with their pay bills for January and July a certificate from their Controlling Officers that the conditions for the drawal of permanent Travelling Allowance have been fulfilled and proportionate cut in permanent Travelling Allowance has been effected wherever necessary.]

- 492.** For the days of the journey performed in Government conveyances, recipients of permanent Travelling Allowance should deduct half of the permanent Travelling Allowance for these days, if such days go to make up the period of minimum touring. If however, all or any such days do not go to make up the period of minimum touring, no reduction in the Allowance need be made in respect of those days.

Note:- An officer in receipt of Permanent Travelling Allowance should certify in monthly pay bill that no journeys were performed by Departmental vehicles during the period for which Permanent Travelling Allowance is claimed or if he has so travelled, he should specify in the Bill—

- (a) the number of days on which he has toured;
- (b) the prescribed minimum number of days on which he has to be on tour; and
- (c) the number of days on which he has used a vehicle provided by Government.

- 493.** Government may, by general or special order, permit a Government servant whose sphere of duty extends beyond the limits of a single district, to draw, in addition to permanent Travelling Allowance, whenever his actual travelling expenses for a duly authorised journey on public duty by public conveyance exceed double the amount of his permanent Allowance for the period occupied in such journey, the difference between such double permanent Allowance and the allowances calculated for the journey.

494.

A Government servant in receipt of a permanent monthly Travelling Allowance may, when proceeding under proper authority beyond his jurisdiction, exchange for the entire journey including such part of it as is within his jurisdiction his Permanent Allowance for the allowances admissible under Rule 522, or for Daily Allowance under Rule 500. ¹[This exchange is permissible only for days of journeys and not of halts. In respect, however, of halts at places outside the State, for which no mileage allowance is drawn, Daily Allowance may be drawn at the rates admissible under Rule 464, subject to other rules governing the grant of Daily Allowance. The day's allowance to be exchanged for other allowances is 1/30th of the permanent Monthly Allowance.].

²[Exception:- The Inspecting Officers of the Department of Public Instruction in respect of Fixed Travelling Allowance are eligible, when travelling beyond their jurisdiction under proper authority, to draw Travelling Allowance under Rules 500 and 522. Provided their touring for the quarter does not fall short of the required number of days. If it falls short, Fixed Travelling Allowance is refundable for the number of days for which they draw Travelling Allowance under Rules 500 and 522 for travelling beyond their jurisdiction, whichever is less. In order to enable audit to watch the fulfilment of these conditions the Inspecting Officers claiming T.A. under this Exception are required to specify in the Bill :-

(i) The number of days on which they are required to tour, and

(ii) The number of days on which they actually travelled.]

¹[Note:- A Government servant in receipt of permanent Travelling Allowance is ineligible to draw both Fixed Travelling Allowance and Daily Allowance if he halts on duty at a station beyond his sphere of duty. But if that outstation is an expensive locality for which a higher rate of Daily Allowance is prescribed, he may be allowed to draw the difference between the ordinary and the higher rates of Daily Allowance.]

²[494A. Where a Government servant who is in receipt of Fixed Travelling Allowance is required to travel in public interest outside the limits of his jurisdiction, he shall be entitled to draw Travelling Allowance at normal rate in lieu of fixed travelling allowance.]

495. A permanent Travelling Allowance may not be drawn during leave, or joining time or unless in any case it be otherwise expressly provided in these rules, during any period for which Travelling Allowance of any other kind is drawn. But save as provided in this Rule, a Permanent Allowance may, at the option of the officer receiving it, be drawn in lieu of any other travelling allowances admissible under these rules.

Note:- The Inspecting Officers of the Education Department may be allowed Fixed Travelling Allowance for periods of short leave not exceeding 15 days, provided it is not drawn by a substitute and the touring for the quarter does not fall short of the required number of days.

504. Unless, in any case, it be otherwise expressly provided in these rules, no Government servant is entitled to be provided with means of conveyance by or at the expenses of Government, or to draw as Travelling Allowance the actual cost or part of the actual cost of travelling.

505. Unless in any case it be otherwise expressly provided in these rules, a Government servant making a journey for any purpose is not entitled to recover from Government the cost of transporting his family or his personal luggage, conveyances, tents and camp equipage.

JOURNEYS ON TOUR

506. The Headquarters of a Government servant shall be in such places as a competent authority may prescribe.

507. A competent authority may define the limits of the sphere of duty of any Government servant.

²[Note:- The Heads of Departments are authorised to define the limits of the sphere of duty in respect of Non-Gazetted Government servants.]

508. A Government servant is on tour when absent on duty from his Headquarters either within or, with proper sanction beyond his sphere of duty. For the purpose of this Section, a journey to a hill station is not treated as a journey on tour.

³[Note:- A Medical Officer leaving his station to attend upon the family of a public officer, which he is not bound to attend free of charge as part of his regular duties, is not travelling on duty within the meaning of this Rule.]

509. In case of doubt, a competent authority may decide whether a particular absence is absence on duty for the purpose of Rule 490.

1. Omitted by No. FD 05 SRA 2012 dated 29.01.2014. (wef 30.01.2014).

2. Inserted by No. FD 37 SRS 59 dated 6.10.1959 (wef 15.10.1959).

3. Inserted by No. FD 237 SRS 58 dated 9.10.1958 (wef 1.4.1958).

510. A competent Authority may impose such restrictions as it may think fit upon the frequency and duration of journeys to be made on tour by any Government servant or class of Government servants.

511. If a competent Authority declares that the pay of a particular Government servant or class of Government servants has been so fixed as to compensate for the cost of all journeys other than journeys by rail, within the Government servant's sphere of duty, such a Government servant may draw no Travelling Allowance for such journeys though he may draw Mileage Allowance for journeys by rail. When travelling on duty, with proper sanction, beyond his sphere of duty, he may draw Travelling Allowance calculated under the ordinary rules for the entire journey, including such part of it as is within his sphere of duty.

512. The period of absence from Headquarters begins on the day on which the Government servant actually leaves Headquarters, and ends on the day on which he returns to them. It is not reckoned by the departure or return of his camp equipage.

513. No Travelling Allowance, other than a permanent Monthly Allowance, is admissible for any day on which a Government servant does not reach a distance exceeding ¹[eight kilometres] from Headquarters or return thereto from a distance exceeding ¹[eight kilometres]. But a Government servant travelling on duty within ¹[eight Kilometres] of Headquarters is entitled to draw the actual amount spent by him in payment of ferry and other tolls, bus fare or railway fare.

Note:- In cases where a village is less in a straight line, than ¹[eight Kilometres] from Headquarters, but more than ¹[eight kilometres] by the only practicable route to it, Travelling Allowance may be admitted by the route, but the Allowance cannot be granted simply on the ground that a journey exceeding ¹[eight kilometres] was performed in visiting several villages, none of which was more than ¹[eight kilometres] from Head- quarters by the ordinary direct route.

HALTS ON TOUR

- 514.** ¹[(1) Daily allowance for halt on tour at an outstation will be calculated on the basis of the period of halt which will begin from the time the forward journey ends at the outstation and will end at the time the return or further journey commences. The rate of Daily Allowance will be calculated as follows:-

Halt upto six hours -	Nil.
Halt exceeding six hours but not exceeding twelve hours	Half Daily Allowance.
Halt exceeding twelve hours but not exceeding twenty four hours	Full Daily Allowance.
Halt exceeding twenty four hours	one Daily Allowance for every 24 hours. For fraction of 24 hours at the end of halt daily Allowance will be calculated as indicated above.

Note 1:- No Daily Allowance is admissible to a Government servant for stopping at a place for any reason other than performance of Government duty. For example, if the Government servant has to simply stop at a place for rest or for catching the next available train on the following day or for resuming his journey by road towards his destination in continuation of the previous day's journey, no Daily Allowance is admissible. However, in cases of air journey involving an overnight halt (either due to non-availability of a connecting service or due to cancellation of the connecting service) at an intermediate station for which the Indian Airlines Corporation does not provide at its cost, any facility for boarding or lodging to the touring Government servants, half Daily Allowance at the rate applicable to the intermediate station shall be allowed in respect of each such overnight halt, ²[xxx] provided the touring Government servants concerned certify that the overnight halt was due to non-availability/ cancellation of the connecting service and no facility was provided for boarding and lodging by the Indian Airlines Corporation.

2. Omitted by No. FD 1 SRA 97 dated 23-4-1998 (wef.15-10-1998).

Note 2:- In cases of enforced halts occurring on route on tour journeys necessitated by break-down of communications due to blockade of roads on account of floods, rains, heavy snow-fall, land slide, etc., Government may treat the period of such enforced halts as duty under Rule 8(15). The Government servant concerned may be granted Daily Allowance at three-fourths of the rate applicable to him at the station in which the enforced halt takes place, for the period of enforced halt excluding the first day of such halt, for which no Daily Allowance should be allowed.]

¹**[Note 3:- A Government servant who returns from tour to his Headquarters on the same day (i.e., within 24 hours) may draw one Daily Allowance or exchange it for Mileage Allowance subject to the provision of Rule 522 but in addition to this allowance, he shall not be allowed to draw Daily Allowance under this rule even if the halt at an outstation exceeds six hours.]**

Explanation:- If a Government servant halts at more than one station on the same day the halt at each place may be reckoned separately provided that the sum total of Daily Allowance admissible for a stay of 24 hours, shall not exceed one daily allowance. The proviso applies only if the halts at more than one station begin and terminate within the duration of 24 hours. In that case only, it is necessary, to ensure that the total Daily Allowance for halt period for all the stations does not exceed one Daily Allowance. If the duration of halt at the second station extends beyond 24 hours from the commencement of halt at the first station, the Daily Allowance admissible for halt at the second station is to be reckoned separately.

The period of 24 hours should be calculated from the time of commencement of the forward journey from Headquarters to the time of commencement of the return journey from the outstation. The time of commencement should be taken to mean the actual time of departure from the Airport/Railway Station/Bus Stand, etc., as the case may be.]

¹[Note 4:- In the case of a Government servant travelling from Bangalore to Gulbarga or Bidar and vice-versa, via Hyderabad by Air, who halts at Hyderabad for resuming his journey next day, either to Gulbarga/Bidar by road, or to Bangalore by Air may be allowed Daily Allowance for the halt at Hyderabad at the rates specified in sub-rule (1) provided the Government servant certifies that the halt at Hyderabad was necessitated for avoiding night or early morning (before dawn) road journey.]

(2) A Daily Allowance may not be drawn for more than ten days of a halt at one place except in special cases in which it is established to the satisfaction of Government that the prolonged halt was necessary in the interest of the public service and the Government servant was put to extra expense by his halt after the expiration of the first ten days.

Explanation:- A Government servant who halts for more than ten days at a place may, after he ceases to draw the Daily Allowance, draw Travelling Allowance under the ordinary rules applicable to him for any journey made on one day from and to the halting place, if he reaches a point more than ²[Eight Kilometres] distant from it. A halt is not interrupted for the purpose of this Rule by an absence on duty from the place of halting for less than three nights.

³[Note - A tour is held to be completed when

a Government servant returns to Headquarters even though the return be for less than three nights.]

⁴[515. Government servants of the last class will however be entitled to Daily Allowance at the full rate, for the first 90 days (vide Rule 518).]

519.

(a) Ordinarily no allowance is admissible to a Government servant during a halt at Headquarters, but Government may, by general or special order, permit any officer or class of officers, to draw, during a halt at Headquarters, the actual expense (not exceeding the Daily Allowance) of keeping up camp equipage (when it is necessary to do so) during such halt, provided such actual expense is not drawn for more than ten days.

Explanation - A halt is not interrupted for the purposes of this rule by an absence on duty from the place of halting for less than three nights.

(b) A Government servant drawing an allowance under this rule for a halt at Headquarters must certify that it was necessary to keep up his camp equipage, and that he had during such period kept up the whole or part of his camp equipage as the case may be, and that the expense so incurred is not less than the halting allowance drawn. A Government servant entitled to Daily Allowance, whose jurisdiction extends over the State, may when making a journey of over ¹[160 Kilometers] to the first and from the last camp of a tour, recover the whole necessary expenditure incurred thereupon, including the conveyance of tents, servants and private baggage in lieu of the Daily Allowance admissible for the days occupied by such journey. The number of servants and the quantity of private baggage to be thus charged for will be fixed by Government.

522. A Government servant may for any day draw in lieu of his Daily Allowance:-

(i) if he travels by railway, the allowances admissible under Rule 469 to 472.

(ii) if he travels ¹[thirty two kilometers] or more by road, the allowance admissible under Rules 478 to 481.

(iii) if he travels partly by road and partly by rail-

(1) in respect of the road journey, the allowance admissible under Rules 478 to 481, limited, unless the conditions of clause (ii) of this rule are fulfilled, to the amount of the Daily Allowance;

Exception:- The limitation referred to will not apply in the case of Government servants travelling by public buses though the distance travelled is less than ¹[32 kilometres] and the allowance will be regulated according to Rule. 485.

Note. 2 - In the case of sub-overseers, the limit of road mileage will be the amount of Conveyance Allowance for the day.

Note. 3 - The claims for road mileage under (ii) and (iii) should be supported by a certificate by the Government servant that he travelled ¹[in his own car or in a hired conveyance.] Otherwise he will be allowed only the allowances admissible for journeys by public buses (vide Rules 483 and 485).

2. Deleted by No. FD 10 SRS 71 dated 15-7-1971 (wef 1-4-1971)

- 525.** In the case of Government servants whose actual pay does not exceed ¹[Rs.13,600] a month, Government may, by general or special order, and subject to such conditions as it thinks fit to impose, permit any officer or class of officers to draw allowance admissible under Chapter XXVIII for the whole period of absence from Headquarters, on condition that no Daily Allowance is drawn for such period if it considers that their duty is such that the Daily Allowance is not sufficient to cover travelling expenses.

DESPATCH OF CONVEYANCES BY RAIL

- 526.** Subject to the general or special sanction of his official superior a Government servant having to travel by railway over a distance of not less than ²[48 kilometres] in a single journey and sending by railway the conveyance required for his bonafide use at the end of such journey shall be entitled in addition, to his ordinary allowance under Rules 469 to 472 to the actual expenses of sending such conveyance.

Heads of Departments will be permitted to take their conveyance by rail at Government cost both for the outward and the return journeys provided that sanction of Government is applied for in each case with a copy of the tour programme and the programme is approved by Government.

Explanation - Conveyance in this Rule means a motor car, motor bicycle and bicycle. The privilege of taking a motor car is permissible only in the case of Heads of Departments.

Note 1 - A Government servant in receipt of a Permanent Monthly Travelling Allowance is not entitled to the privilege of this rule.

Note 2 - The sanction of the official superior under this rule shall be given only in the interest of the public service.

1. Substituted by FD 05 SRA 2012, dated 29.01.2014 (wef.01.04.2012).

2. Substituted by No. FD 10 SRS 71 dated 15-7-1971 (wef 1-4-1971)

Note 3 - A Government servant having to send conveyance by rail must avail himself of the concessions, if any, granted by the Railway Department whenever return journey is contemplated within the period of time provided by the Railway Rules under which it is conveyed from one station to another and back on payment of concessional fare, if any.

Note 4 - When a Government servant is entitled to take his conveyance by rail but prefers to take it by road, he will be entitled either for (1) road mileage or (2) for railway fare for himself and freight for his conveyance, whichever is less.

Note 5 - The circumstances in which the concession referred to in this rule may be appropriately sanctioned are indicated below:-

(1) The scale of Travelling Allowance of a Government servant is so fixed as to cover all items of expenditure, incidental to journeys on tour. For ordinary journeys on tour, therefore, an officer is not entitled to charge Railway Freight for his conveyances in addition to full Travelling allowance under the rules especially in cases where a sufficiently large amount of road mileage is drawn for journeys performed by such conveyance.

(2) Accordingly, for journeys for which an officer earns by road mileage an amount equal to atleast twice the outward railway freight for the conveyance which it is necessary for him to take by rail in the interest of the public service, the freight charges will not be borne by Government. Ordinarily, an officer should so arrange his tour that sufficient road journeys are performed at the end of the Railway journey so as to make this rule applicable.

(3) In exceptional case where the road mileage earned is less than twice the railway freight for the conveyance and the interests of the public service require the conveyance at one place immediately after its being similarly used in another place, the concession contemplated in this rule may be sanctioned for

the outward journey only. It may be sanctioned for the return journey, if that journey, also satisfied the condition of urgency stated in the following paragraph.

(4) The concession should not be allowed, unless it is clearly shown that public interests would suffer in the conveyance was sent by road in the usual manner and that in spite of reasonable forethoughts in the arrangement of the tour programme the necessity for its being required at two places almost simultaneously could not be prevented.

(5) The Daily Allowance under the rules drawn by an officer when halting at a station is held to cover all the ordinary daily charges of the officer including the cost of locomotion within the station. Charges for transporting conveyance will not therefore be allowed merely to give an officer facilities of locomotion within stations at which he may halt but only for urgent journeys from one station to another.

(6) Claims for actual charges, incurred for transporting a conveyance when allowed should be supported by the receipt granted by the Railway Authorities.

Exception 1 - Such of the officers in the service of the State (including lent officers) as are required to attend the Sessions of the Legislature may take the conveyances to which they are entitled, by rail at Government expenses, even though in receipt of a Permanent Monthly Travelling Allowance.

Exception 2- District and Sessions Judges may take conveyances to which they are entitled by rail at Government cost when they go out to hold session and also bring them back to Headquarters. ¹[The privilege is also extended to the Registrar, High Court of Karnataka proceeding on tour under the direction of the Chief Justice of the High Court for inspection of Courts within the State.] .

Exception 3 - The Chief Engineer may take his conveyance by rail at Government cost while proceeding on inspection work for one of the journeys, whether outward or inward - each time he proceeds on tour and claim for such journey road mileage or railway fare for himself and haulage for the motor car, whichever is less.

Note 5.- A reference to family has been omitted deliberately from this rule in view of the provision relating to actual payments in the rule. (1) that the total weight carried from Station 'B' to Station 'C' and from Station 'A' to Station 'C' does not exceed the maximum limits prescribed in the rule and (2) that the total cost of transporting the effects from station 'A' to Station 'B' from Station 'B' to Station 'C' and from station 'A' to Station 'C' does not exceed the amount admissible from Station 'A' to Station 'B' plus that admissible from Station 'B' to Station 'C'.

Note 8:- When a Government servant transports more than the maximum maundage admissible under clause 3 (A) I (3) by a cheaper route, he can draw actual charge not exceeding the amount admissible for the maximum maundage by the normal recognised route.

Note 9:- There is no objection to a Motor car being deemed a part of personal effects (vide clause 3 (A) I (3) of the rule) in cases where an officer is not entitled to its free transport in addition to personal effects.

Note 10:- The limit upto which the actual cost of transporting his personal effects by goods or passenger train or by both from and to the various qualifying stations may be drawn by a Government servant under clause 3(A) I (3) of this rule is the maximum amount admissible under the main rule read with Note 1 thereto.

Controlling or Countersigning Officer's Duties

575. It is the duty of the Controlling Officer or of the Drawing Officer (when a bill does not require countersignature) to scrutinize the necessity, frequency and duration of journey or halts for which Travelling Allowance whether permanent or otherwise is claimed. He may disallow the whole or a portion of the Travelling Allowance claimable for any journey or halt, if he considers that the journey was unnecessary or that it was not completed with due expedition, or that the halt was of excessive duration. He should also carefully scrutinize the distances entered in Travelling Allowance bills (especially in the case of journeys on tour) though they are also liable to examination by the Audit Officer and should check any tendency to abuse the option of exchanging a daily rate for mileage under Rule 522. The Controlling Officer is responsible for the correctness of the claims preferred by the officers subordinate to him. He should scrutinize all claims to road mileage with particular care.

¹[576. No controlling Authority may delegate to a subordinate his duty of countersignature. He may however, authorise one of his Gazetted Assistants to countersign Travelling Allowance bills of the Non-Gazetted staff "for him". ²[xxx] This duty should not be delegated in respect of Travelling Allowance Bills of Gazetted Officers.]

Audit Officer's Duties

577. Countersignature does not dispense with the necessity for formal audit with reference to rates, distances and general conditions. An Audit Officer will accept counter-signature by the proper authority or the signature of the Drawing Officer when a bill does not require countersignature as final evidence that the facts of the journey on which the claim is founded are correct and that the claim is admissible with reference to these Rules and to any Departmental Rules. It is the duty of the Controlling or the Drawing Officer, as the case may be, and not of the Audit Officer to enforce Departmental Rules but the Audit Officer may point out any deviations that may appear to him deserving of notice.

(iii) When it is necessary to provide residences in places where no houses are available, and where a lengthened term of residence would render camp accommodation unsuitable, e.g., along lines or roads or canals, for the housing of Government servants employed on their construction or maintenance.

(iv) When it is shown to the satisfaction of Government that suitable accommodation for Government servants whose appointments are permanent in respect of a locality is not available in the station already in existence or is available only under circumstances which will be likely to place such Government servants in an undesirable position in relation to the house proprietors.

4. Before sanctioning proposals for the construction or purchase of a residence for a Government servant, Government should consider whether the requisite accommodation cannot be more conveniently provided by taking an existing building on lease for such a term and on such conditions as may be appropriate. No such lease should be entered into, without the express sanction of Government, which will be accorded subject to the condition that the present and future incumbents of the appointment for whose accommodation the building is to be leased shall be required during the term of the lease to occupy the house and to pay such licence fee as may be prescribed under the rules.

The cost of planting shade trees in the compounds of residential buildings and of transplanting soil in a portion of the compound meant for a garden, if the nature of the existing surface soil renders such transplantation necessary in order to form a garden, may be debited to the public funds as capital expenditure on the property.

(3) When buildings are constructed at the cost of private persons and handed over to Government for the public purpose, it is necessary to arrange for their maintenance at State cost. Accordingly provision for the annual repairs and proper maintenance, including monsoon thatties, must be made in the budget estimates of the Public Works Department. 7(1) A Government servant who owns a house at his place of posting shall not be allotted Government quarters/house, under the administrative control of Housing Board, P.W.D. and other Government agencies, for occupation. When a Government building intended for one Government servant is occupied by another, the licence fee that may be recovered from the latter will be deducted from the amount of licence fee payable by the former from whom the house was intended and who is primarily responsible for it.

10.(1) For the purpose of the following rules, Government buildings intended for occupation as residences by Government servants return is expected on the capital cost.

Class I,- Building from the licence fee of which an adequate return is expected on the capital cost.

Class II,- Building from the licence fee of which an adequate return on the capital cost is not expected.

(2) The fact that a building of Class I is occasionally occupied by a Government servant who is entitled to accommodation without licence fee or at reduced licence fee will not justify its removal from Class I to Class II and vice versa. A building in Class II should not be transferred to Class I whenever it is occupied by a Government servant who may be required to pay licence fee in accordance with rules. Buildings should be transferred from one Class to the other only when there is permanent change in the conditions under which they will originally be allotted on licence fee. The

licence fee for each building in Class I will be fixed by the Divisional Officer in the first instance, subject to subsequent confirmation by the Chief Engineer and also subject to the following conditions:-

(c) Government reserve to themselves the right of fixing a special licence fee in such cases as they may consider necessary.

(d) Whenever additions or improvements including electric installations are made to a building during occupancy, raising thereby its capital cost, the increased licence fee will be levied from the first of the month succeeding that in which the addition or improvement is completely executed even though complete payments may not have been made to the contractor or the work accounts closed. The Divisional Officer should take particular care that the entire outlay which may be finally incurred on the work is calculated before hand as accurately as possible in order to arrive at the increased capital cost on which the licence fee is to be based. If any difference is found later on, in the actual outlay after the work accounts are closed, the necessary alteration in licence fee may then be effected. In the meantime, the occupant should be informed that the alteration in the assessment is provisional pending closing of the work accounts.

(e) Superintending Engineers are empowered to approve finally of data statements for calculating the standard licence fee of Government residential buildings, and they are also empowered to approve finally data statements for calculating the standard licence fee of Government residential buildings,

the capital cost of which is not known. Standard licence fee will be calculated in the above cases by the Superintending Engineers. When the year of construction or acquisition of a residential building is not known, its present value will be taken into account. The rate of interest applicable to the year in which the assessment of the capital cost of the building was made will be adopted for purpose of calculation of licence fee and preparation of licence fee data statement of the building.

(f) The licence fee charged for any building occupied by a Government servant shall not exceed ten percent of his salary. 'Salary' for the purpose of this rule means all emoluments drawn by an occupant and includes.

11.(1) For the purpose of this rule, the capital cost of a building shall, unless specially reduced, be taken at the cost of the building and its site, without addition of any percentages on account of establishment or of tools and plant. If the house was constructed on land purchased by Government, the value of the site will be the price paid for it by Government, if this can be ascertained: if not, it will be the value at the time those rules are first applied. If the house was built on land, the property of Government, the actual outlay incurred by the Government on such land should be included in the capital cost of the building for the purpose of assessing licence fee; but if no such outlay has been incurred, the value of the site should not be included in the capital cost of the building.

(2) In the case of houses purchased by Government, the capital cost will be the price actually paid for the property together with the amount of the works outlay incurred by Government in altering, restoring or improving the building. When there is no record of the actual price paid by Government for any building, its present value should be estimated by the Divisional Officer and approved by the Chief Engineer and this estimate should be taken as the capital cost.

(3) The outlay incurred on the electric installations in all Government residential buildings allotted on licence fee should be added on to the capital cost of the building, and licence fee fixed on that basis. As regards quarters occupied without licence fee no interest and depreciation charges need be levied on the Government servants occupying them.

12.(1) When a building is occupied partly as a residence and partly as an office for which no licence fee is paid, the capital value of the portion occupied as a residence should be separately estimated, for the purpose of this rule. The cost of maintenance of the residential portion should also be separately estimated and accounted for. The amount of reduction of licence fee under this rule will be fixed by the Chief Engineer.

(2) When separate office accommodation is provided for the occupant and the use of part of his residence for office or business purposes is optional, no deduction from the licence fee is permissible on this account.

(b) Remissions of licence fee due for the occupation of a Government building may be sanctioned when the building is rendered uninhabitable by reason of extensive repairs being in progress, or from any other cause, provided that if the occupant finds that the house has become uninhabitable, he shall at once report the matter to the Divisional Officer incharge of the building, who will immediately inspect it and forward a report to the Chief Engineer. The latter will take such steps in the matter as he considers necessary, and then decide whether partial or total remission of licence fee is to be allowed. No remission of licence fee can be allowed for any period anterior to the date on which the occupant reported to the Divisional Officer that the house was uninhabitable, whether he left it before that date or not.

(c) At stations where, owing to excess of accommodation or to other special circumstances, licence fee must unavoidably be assessed with reference solely to prevailing rates, special assessments may be made by Government, except in the case of buildings which have been constructed, purchased or leased as residences of Government servants holding particular appointments, and which are occupied by the incumbents of such appointments. In the case of such building, reduced assessments will be sanctioned by Government under special circumstances.

The licence fee payable to the owners of the buildings in pursuance of the lease should be paid and charged to a lumpsum estimate to be sanctioned for the purpose under “50 Public Works-Repairs-Civil Buildings”. No detailed annual maintenance estimate will be necessary as the repairs of these buildings as well as payment of municipal taxes, etc., will devolve on the owners.

23. Residential buildings, whether allotted on Licence fee or given without Licence fee. The produce in the compounds may be left to the occupants unless the charges of maintenance of the compounds are borne by Government.
