Placement Cell

Each Campus has separate Placement Unit. The students are encouraged to avail the counselling services regarding their academic and behavioural management. In addition, each student is assigned with a teacher as counsellor in the 1:10 ratio to monitor and guide students in the academic performance and personal related issues. This year Counselling, Workshops and tutorials are conducted towards enriching student's skills and potentialities. One of the major functions of Counselling Unit is placement programme. Our graduates are to be placed in different firms and corporate sectors besides Government Institutions. Under special ICAR Counselling grant, trainings are conducted to the competitive exams for the students.

- Providing a confidential listening and referral service.
- Representing students on University committees in relation to student welfare.
- Dealing with individual requests from students.
- Keeping the executive and students informed of all welfare matters and policies.
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes.
- Communicate with the guardian of the students concerning the welfare of students.
  Assist the students in obtaining scholarships by giving them information relating thereto.
